WHITE COLOUR DAY 20[™] THURSDAY, 2020

White is inherently a positive colour, which is associated with purity, innocence, light, goodness, brilliance, faith and perfection. It also represents a successful beginning. The colour white is reflective and stimulates openness, growth and creativity.

Pre-primary students of DPS84 celebrated White Colour Day. Students looked gorgeous in their white attire. Classrooms and boards were decorated with white coloured objects which gave graceful appeal to the environment. Students participated in making sheep by pasting cotton. These activities were conducted with the objective of developing their fine motor & gross motor skills. Students participated in explaining the toys brought by them. The idea was to develop their spoken skills. They enjoyed their activity and performed enthusiastically.

INNOVATIVE CLASSES: SOCIAL STUDIES

Students of Grade IX had a presentation on 'Infringement of Democratic Rights' regarding how Citizens' Rights are being violated in some countries. They exhibited some real-life cases of North Korea, Saudi Arabia, Nepal and many other countries and through their presentations they made the audience understand that one cannot imagine living without rights and to understand the importance of these rights. They explained how an ordinary person can use these rights to protect and defend themselves in different situations in a democracy. In the end, they also referred to how the scope of rights has been expanding.

DPS 84, Gurugram organized an educational trip to "Neverenuf Railway Park" for the students of Nursery on February 14, 2020. Students were amazed to see the railway tracks, engines, jet boats, fire station etc., that entranced the tiny tots and a wave of excitement shot through the group. Students were delighted to see the "Miniature Transport" which included old and new townships with various modes of transport – Air, Water and Road. Students came back with a Pandora's Box of Knowledge, which made the excursion fruitful and joyous.

INNOVATIVE CLASSES: SOCIAL STUDIES

Students of Grade VIII had a presentation on "Seven Older Cities of Delhi" which developed around the fortresses of each dynasty that ruled Delhi from 1100 AD through 1947 AD. FIELD TRIPS

Field trips give students educational experiences away from their regular school environment and provide alternative educational opportunities. Keeping this in mind, a recreational trip was organized on 7th February 2020 for the students of classes 1 and 2. They were taken to Sapphire Sector 83 Gurugram for a special screening of the popular children's movie 'Frozen 2'. 14 teachers and nannies also accompanied them to ensure the welfare of the students. A wave of excitement went through the students when they were taken to the theatre and a hush fell as soon as the movie screen lit up, followed by a collective "Ooh." The rustle of popcorn and conversation revived as the preview got underway and then settled once more when "Frozen 2" started rolling. A lot of discussion and happy faces were seen after the movie got over. A follow up activity was given as homework to the children where they had to draw their favourite character from the movie and write a few lines on it.

TECHNOPHILE:

Coding made simple and fun with Scratch. To mark the Technology Day, we provided our students with interesting Scratch projects to explore beyond text books. They used scratch blocks to create games, music, stories and animations using camera sensing. It really helped in transforming their technology skills along with promoting creativity, problem solving and reasoning.
