# World Conservation & International Tiger day

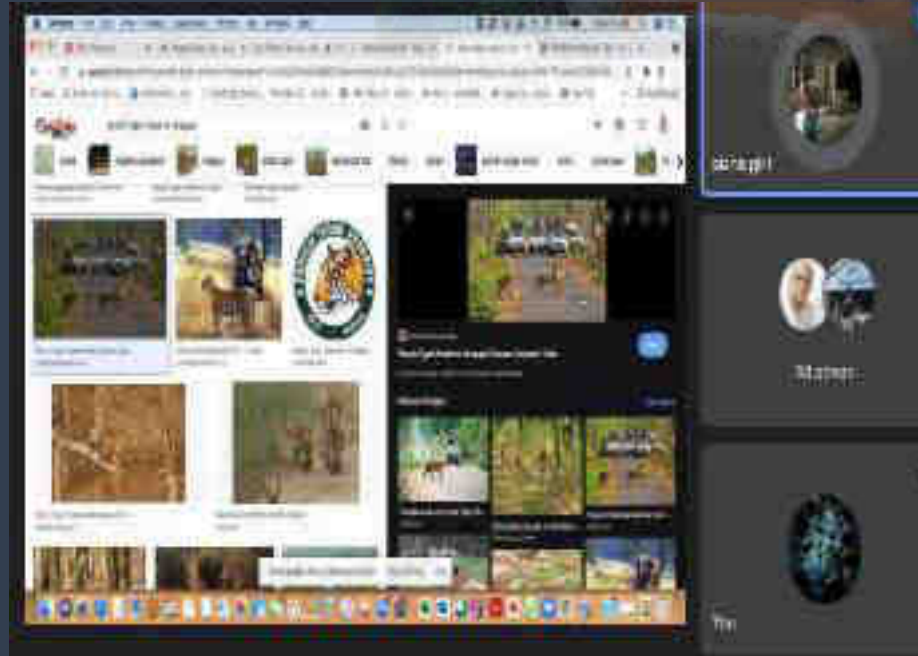

Conservation means the wise use of the earth and its resources for the lasting

good of humankind” – Gifford Pinchot

Global Tiger Day is celebrated every year on July 29th as a way to raise awareness about this magnificent but endangered big cat.

As an initiative to promote nature conservation and inculcate environment-friendly lifestyle,

Delhi Public School-84 celebrated a fun-filled day with our little conservationists

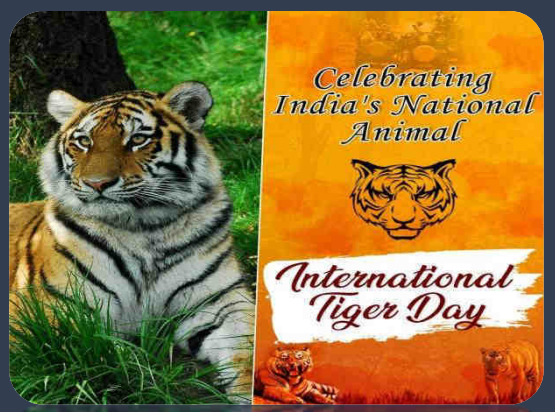

## WEBINAR - GRADE 1 & 2

Children were highly enthusiastic to attend this webinar held by Mr. Akhil Mehra, Owner of Mahua Vann Pench Tiger Resort. They vowed to be caring towards animals and showed strong dislike to the idea of poaching tigers.

# World Conservation & International Tiger day

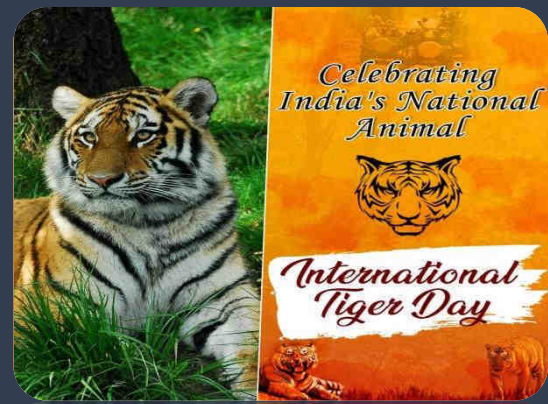

## GRADE 1 - BEST OUT OF WASTE

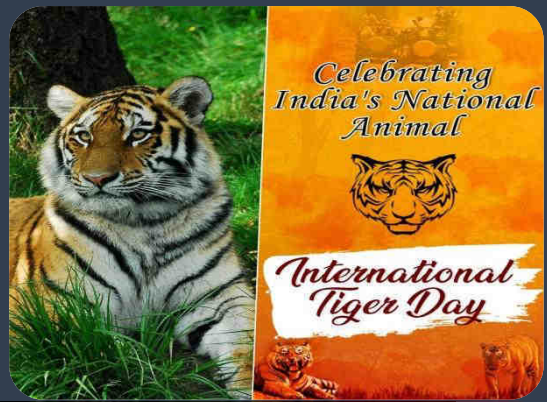

As charity begins at home, so should conservation. To propagate this idea, children of Grade 1 put together the discarded items available at home to create something beautiful - be it pen stand, planters, baskets.

## *OCEAN IN MY HAND*

Oil spillage is destroying our oceans. In a hands-on activity First Graders understood how this pollution is happening and destroying the aquatic creatures.

## MAGNIFICENT TIGERS-

Tigers are majestic, huge and have always enchanted the children. This enigmatic creature is on the verge of depletion and our children, nevertheless, are very much troubled by this. How can killing creatures be profitable - this thought bothers them a lot. They came to know some interesting facts about tigers and shared their views about them too.

# Experiential Learning

## GRADE 1

ENGLISH - THE LITTLE RED HEN - Story board making & Story Narration - The little story weavers of Grade 1 made a storyboard depicting the story of The Little Red Hen. Honing their thinking and judgement skills each child gave an end of their own to the story. Then they narrated their story to their classmates dressed either as a funky narrator or a character from the story.

## GRADE 1

### NOUN \_ STORY

As the First graders master their understanding of their first parts of speech- Noun, they presented a story with themselves as the hero either saving some other naming words from danger or on an adventurous journey with other Naming words. The twist being all the Naming words started with the same as their names' 1st letter.

## GRADE 1

### EVS - JUNK FOOD vs. HEALTHY FOOD

Food and food  
Happy to have food,  
But not all food is good.

Based on this our little scientists conducted an experiment with milk and soda, chalks being their teeth. As their chalks decayed in soda, our little ones made a mighty promise of not to have soda at all.

# Experiential Learning

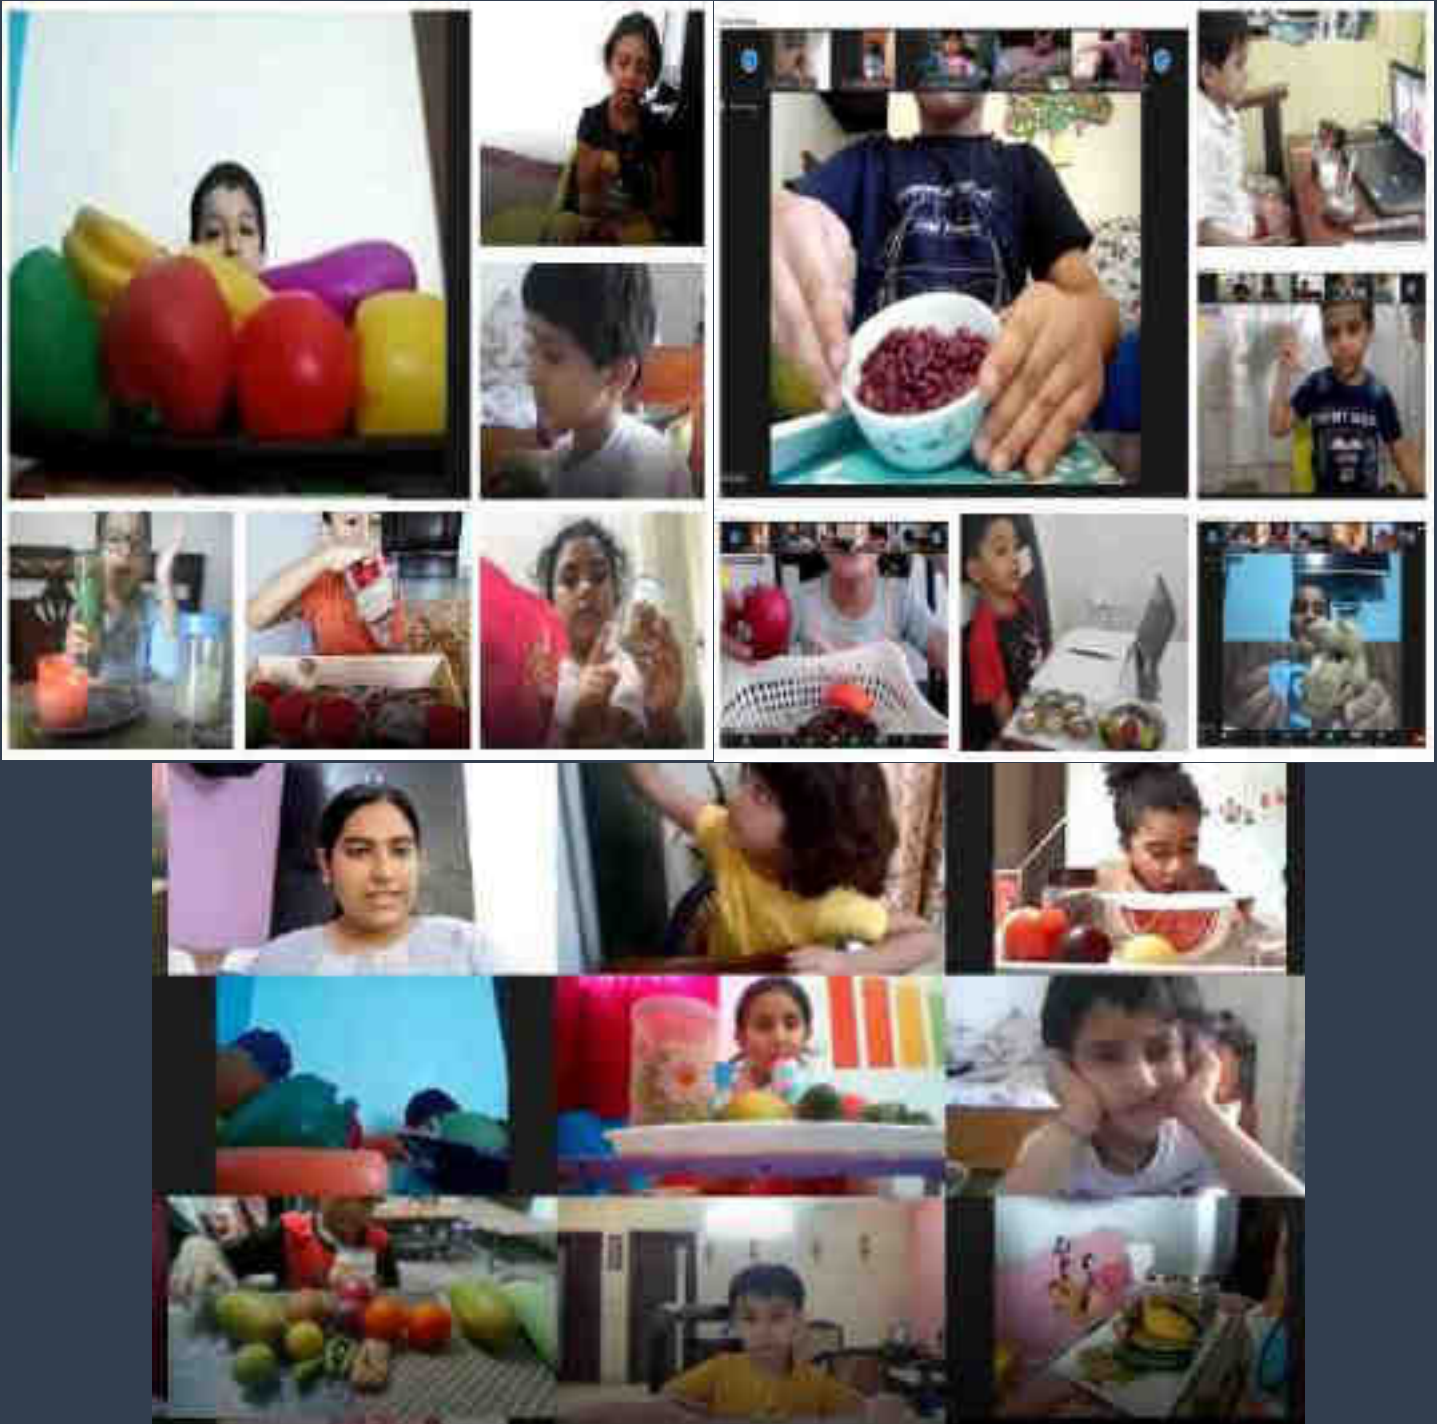

## GRADE 1 EVS MY FOOD CART -

Exploring the variety of food available for us, Grade 1 children showcased their 'Food Cart' and identified the fruits, vegetables, cereals, pulses, dry fruits among them. Also they got to know the importance of having each in the diet.

## GRADE 1

### MATH SUDOKU

Sudoku is one of the most popular puzzle games of all time. The great fun being that no number gets repeated in the grid. The First Graders tried their hands for the first time at Sudoku with addition - where no sum repeats itself in vertical or horizontal lines.

# Experiential Learning

## GRADE 1

### INTEGRATED LEARNING

English and Hindi are our 2 prime languages. They go hand in hand in education for understanding and explaining. So the children learnt the Hindi terms for some English words.

## GRADE 1

### MEMORY QUILT –

“Family is a circle of strength and love”. Memories and the precious time shared, make a family. Recently 'Grade 1' students explored all about families by creating a beautiful Memory Quilt. They illustrated various components of a family on the memory squares, which were artistically put together to make their very own 'memory quilt'. 'My Beautiful Family', 'My Screen funny family' were some of the unique names given by the students to their beautifully created family portraits as a part of their ongoing theme 'All About Me'. The students proudly presented their Memory Quilt during the session and shared all about their family with their friends and teachers.

## ***EVS -FINGER FAMILY PUPPET***

Families are the compass that guides us. They are the inspiration to reach great heights and our comfort when we occasionally falter. Brad Henry

Students of Grade II studied about the people they live them in their EVS subject and understood their importance in life. During this pandemic, it is our family who is with us and we are with. This lockdown has taught the true lesson of our life. Students depicted some hilarious moments spent with their family using finger puppets. and enjoyed expressing those moments in the class.

**GRADE 2**

**EVS -FAMILY QUIZ**

I love my family and my family will always be there with me, this was conveyed by the students of grade II by getting certified with a certificate of appreciation which they received on visiting the online site about a quiz on the family. They enjoyed visiting the site and the certification added to their enjoyment

Thank You!
