## THE NEW SESSION

### ASSEMBLY

The first assembly of the session was presented by the enthusiastic teachers for our students. This was also to welcome our beloved students and to make them realise what they mean to us. The teachers performed with zeal which reflected in the response that they received from the students. The short but effective words of wisdom shared at the end of the assembly were inspirational too. This started the new session with enthusiasm and vigour!

## THE NEW SESSION

### THE ICE BREAKERS

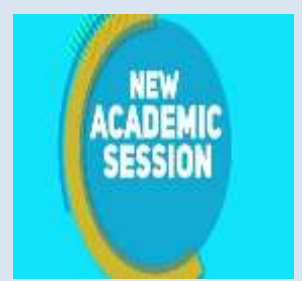

Feeling anxious about new experiences is a natural tendency, especially for young children. That's why our teachers organized small welcome activities to help ease the transition into a new school routine and facilitate socializing.

By prioritizing our child's emotional well-being alongside their academic success, we aim to foster a safe, supportive environment that encourages personal growth and development.

# THE NEW SESSION

## THE NEW SESSION

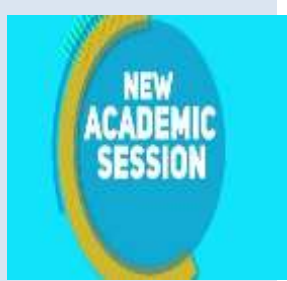

At DPS Gurgaon Sector 84, we recognize the need for a smooth transition from one level to the other. Making new friends and going to a new class teacher definitely brings excitement along with a little curiosity in the child's mind. Thus to cater to the needs of our students, the Class Teachers organised ice-breaking activities by involving all the students to facilitate breaking the inhibitions, socializing and encouraging bond building amongst the classmates.

This activity was thoroughly enjoyed by the students and did help in easing out their apprehensions and creating a friendly environment within the class.

# THE NEW SESSION

## BAISAKHI CELEBRATION

Our tiny tots joyfully celebrated Baisakhi, fostering a sense of belongingness, cultural awareness, and unity from a young age! Such events shape the future of our country by nurturing the rich cultural heritage of ours.

## EARTH DAY

We believe in preserving a green legacy by instilling environmental consciousness in our students from a young age. On Earth Day, the tiny tots came together to participate in various activities aimed at building awareness and consciousness about the importance of caring for our planet.

## EARTH DAY

At DPS School Sector 84, we believe in nurturing a green legacy by instilling environmental consciousness in our students from a young age. On Earth Day, every grade, from Primary to Senior, came together to participate in various activities aimed at building awareness and consciousness about the importance of preserving our planet. Through various activities, our students exemplified our school's commitment to sustainable living and being responsible stewards of the Earth. Together, we strive to create a brighter, greener future for generations to come.

# EARTH DAY

## EARTH DAY

Celebrating Our Mother Earth - A Special Assembly at DPS 84 on Earth Day led by Class-V students, showcasing our support and concern for environmental protection. The day started with prayers, inspiring thoughts, and news updates. A skit and 'Green Fashion Show' sensitized students about environmental issues and stewardship. We also felicitated our SOF IMO winners.

# TREE PLANTATION

Planting the Seeds of Environmental Care

We believe in instilling a deep sense of understanding and care for the environment in our students. As a part of our Earth Day celebrations, our students took the initiative by bringing saplings from their home and planted them in the school premises. This hands-on activity nurtures a sense of responsibility towards the environment, encourages sustainability and instils respect for nature.

## MAGIC SHOW

Enchanting Moments in Our Classroom! Welcome to a world where magic never stops and adventures never end! Magic offers comfort, inspiration, and creativity to young minds, fostering imagination and empathy. The little ones were thrilled by the tricks and had a blast during this special experience away from their regular classroom routine.

## STORY TIME

**Unleashing Imagination through the Magic of Storytelling!**

Storytelling fosters engagement, sparks creativity, and makes learning fun. Nursery students were thrilled during a storytelling session where our teachers brought the tale of a hungry caterpillar to life with props and creative narration.

## STORY TIME

## ASSEMBLY GK QUIZ

QUIZ  
TIME

Empowering Young Minds with Knowledge! The students participated in an engaging GK quiz on current affairs. The aim of this exposure was to make them realise the need of keeping themselves updated with the latest developments in various fields. By fostering curiosity and awareness, we believe that they will be encouraged and will work towards keeping themselves abreast with the latest. This is possibly one of the best ways to empower our students and to prepare them for the future.

# ASSEMBLY GK QUIZ

## HERITAGE DAY

The nursery students indulged in activities that built their awareness on the various heritage sites in India and their historic significance. Interactive activities help in better retention while also ensuring that the students enjoy their learning experience.

# HERITAGE DAY

## HERITAGE DAY

Preserving Our Rich Heritage! Our students celebrated Heritage Day with great enthusiasm, learning about the cultural richness of our country. Through various activities, they explored traditional crafts, music, dance, and costumes, immersing themselves in the diverse heritage of our nation. It was a day filled with joy, learning, and appreciation for our cultural roots.

## EXPERIENTIAL LEARNING

Empowering Young Minds with Math! Grade 3 students at DPS 84 unleash their logical and problem-solving skills through an exciting activity of 'Folding Cards'. By exploring the concept of expanded form in a hands-on way, students develop analytical thinking and master the art of expressing numbers in their expanded form.

# EXPERIENTIAL LEARNING

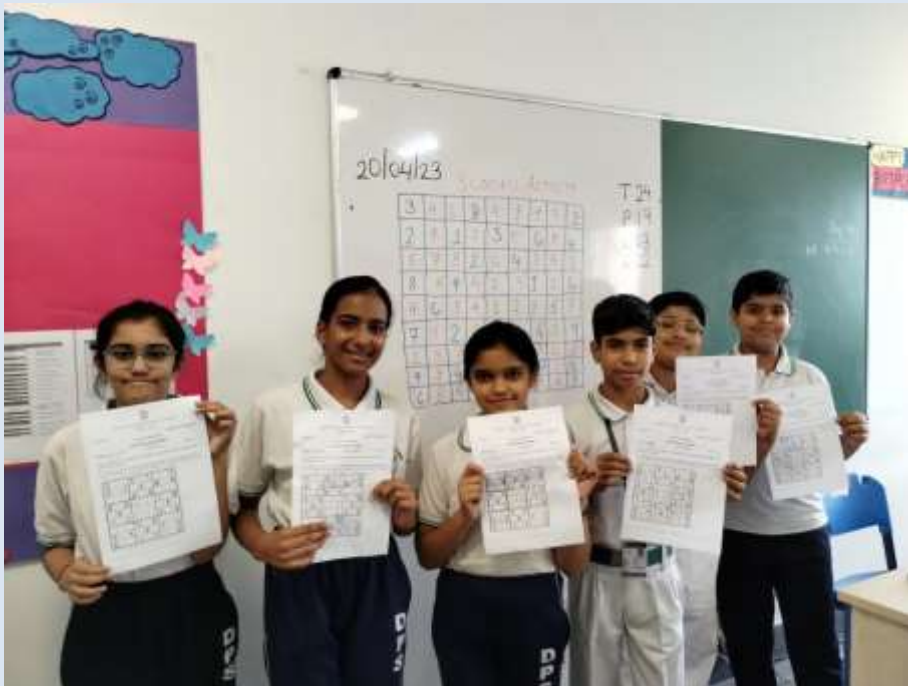

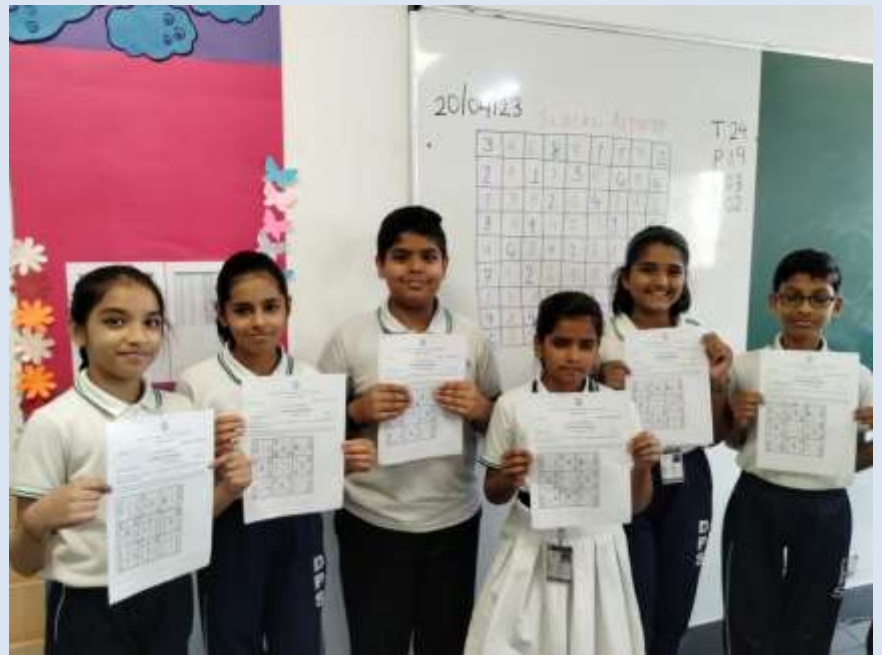

## EXPERIENTIAL LEARNING

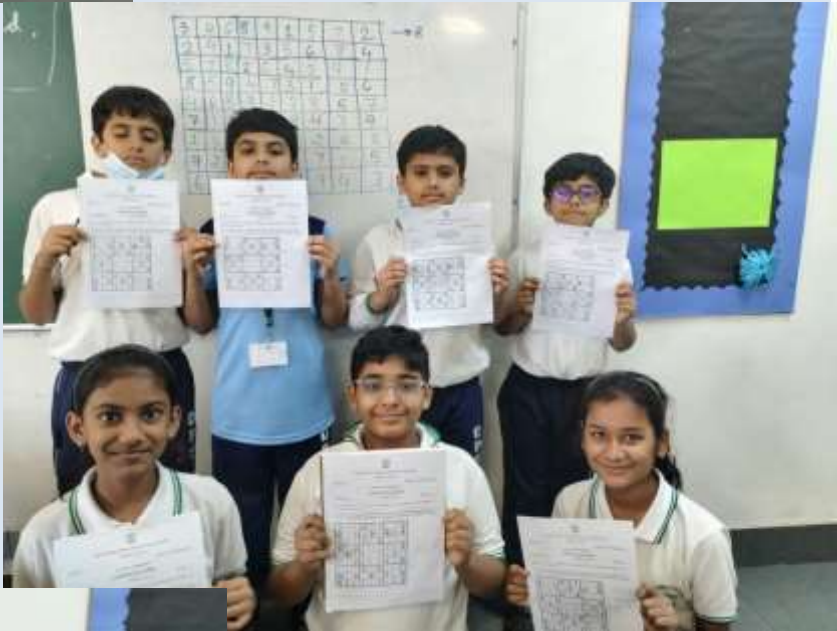

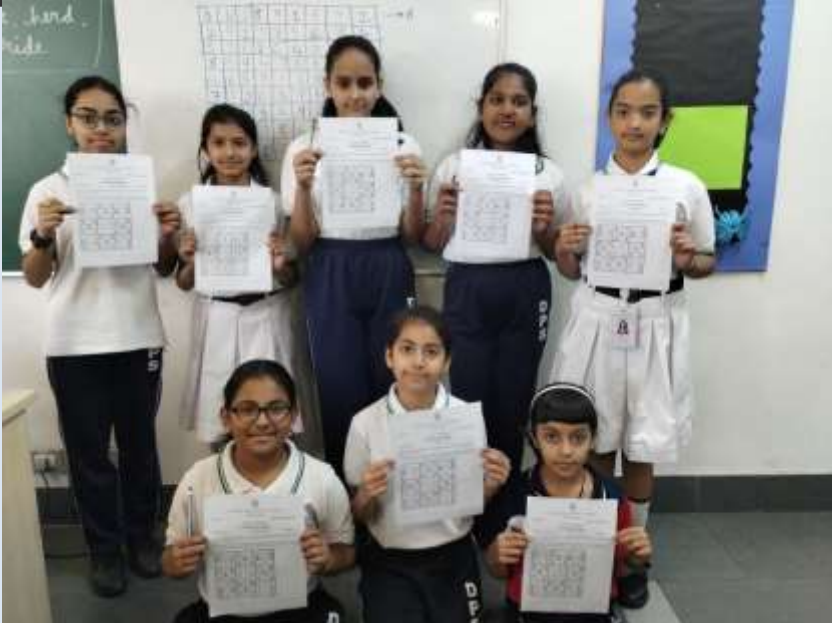

**Empowering Young Minds with Sudoku!** Sudoku puzzles are more than just a fun pastime, they are an excellent tool for building critical and analytical thinking skills. Our Grade VI students at DPS 84 embarked on a journey of "Knowing Our Numbers" through Sudoku puzzles, enhancing their concept clarity on the number system. Through this engaging activity, students honed their problem-solving skills while having a blast!

## EXPERIENTIAL LEARNING

### SCIENCE

At DPS Gurugram Sector 84, we believe in 'Learning by doing' - an engaging approach that goes beyond traditional teaching methods. Our students actively participate in activities that make learning easier and interesting.

As a step towards making learning Experiential for grade VI students, they were made to recently explore "Sources of Food" by examining the ingredients of food items brought in by their peers. The gathered information was creatively presented on A4 sheets, promoting effective learning and long-term retention.

Our students thoroughly enjoyed this hands-on experience.

## ASSEMBLY

Morning Assembly brings entire school together as a family. It is the beginning of each day which establishes a positive tone for teachers and students and encourages positive involvement of all students in running of the Assembly. A Special Assembly at DPS 84 led by Class-VII A students, showcasing our support and concern for environmental protection. The day started with prayers, inspiring thoughts, and news updates. A skit on Save Earth was presented by the students. The assembly culminated with the National Anthem, echoing in our hearts
