FIRST DAY TO SCHOOL

Excitement bubbled in the air as we welcomed our adorable Pre-Nursery kids to their first day at DPS Sec 84. It marked the dawn of a journey brimming with curiosity, exploration, and fresh starts as our young ones set forth on their path of knowledge and exploration. Our educators spun enchanting tales, whisking the children away to distant realms and fanciful realms. With animated storytelling and expressive gestures, they breathed life into characters, sparking the imaginations of our budding scholars. Subsequently, they delved into art and craft endeavours that further ignited the creativity of our little learners.

HERITAGE DAY

Our Nursery explorers at DPS joyfully commemorated World Heritage Day! Immersed in the vibrant scenes of India's heritage, they were reminded to hold our rich cultural legacy and embrace a deep love for our nation. Classroom was magically transformed into a global adventure zone, inviting all on an expedition to discover the marvels of cultural and natural heritage. To further enrich their understanding, the children engaged in creating Mandala Art paintings using their fingertips. This tactile activity not only fostered artistic expression but also enhanced fine motor skills, while instilling a sense of appreciation for preserving these invaluable treasures. Through this blend of creativity and education, DPS Sec84 students are not only embracing the significance of safeguarding our heritage but also nurturing their own growth and development.

HERITAGE DAY QUIZ

On World Heritage Day, April 18th, the Social Science Department at our esteemed institution conducted a captivating Heritage Day Quiz for our bright young minds of grades VI to VIII. The air was abuzz with excitement as students delved into the fascinating realms of UNESCO World Heritage Sites, traditional folk dance forms from around the globe, and the elegance of classical dance forms that echo through history. With each question posed, curiosity soared, and enthusiasm lit up the room. It was heartening to witness our students engaging passionately with the cultural tapestry of our world. The quiz wasn't just an educational endeavor; it was a delightful journey of exploration and discovery. Students not only tested their knowledge but also deepened their appreciation for the diverse heritage that surrounds us. As laughter and camaraderie filled the atmosphere, it was evident that learning had never been more enjoyable. Our students' enthusiasm truly reflected the essence of World Heritage Day. A heartfelt thank you to our Social Science Department for orchestrating this enriching event, and to our students for embracing the spirit of heritage with such fervor. Here's to celebrating the beauty and richness of our world's heritage every day!

BAISAKHI CELEBRATION

"As we embrace Baisakhi, a jubilant festival symbolizing new beginnings, let's sow the seeds of knowledge and reap the harvest of wisdom. At DPS 84, our students delve into the essence of Baisakhi through tailored discussions, infusing their creations with vibrant hues and cultural significance. Their laughter resonates through folk dances and rhymes, echoing the unity and joy intrinsic to this celebration. Through these festivities, our young learners not only honor tradition but also embrace the values of unity and joy that Baisakhi embodies."

CHRONICLE

MY CHRONICLE

Step into the world of "My Chronicle!" Within this delightful booklet, DPS Sec84 students have embarked on a journey of self-expression, capturing their preferences and interests in a collection of their favorite things. From beloved colors to cherished animals and delectable foods, this activity served as a canvas for their creativity and individuality to shine.

With each page adorned with colorful drawings depicting their favorites, students poured their hearts into this project, infusing it with unique shades of their personalities and passions. "My Chronicle" stands as a testament to the joy and happiness one finds in celebrating one's own interests and preferences.

This fun and creative activity not only allowed students to showcase their individuality but also provided them with a tangible representation of the things that bring them boundless joy. As they flipped through the pages of their personalized booklets, they were reminded of the beauty and richness of their own unique experiences and preferences.

EARTH DAY ASSEMBLY

DPS, Sec 84 students recently led an assembly that aimed at raising awareness about environmental conservation. They illustrated various methods to preserve our planet from pollution, that causes problems like global warming and climate change. These issues pose significant threats to human survival, compelling us to take immediate action to mitigate their effects. Together, let us unite in our efforts to protect Earth from this impending disaster. By embracing sustainable practices and advocating for environmental stewardship, we can create a cleaner, greener world for all inhabitants, now and in the future.

MATH ACTIVITY

Mathematics is not only about equations and computations, but it is also about understanding. Activities play an important role in comprehending a topic. For better understanding of large numbers *Grade 5* students participated in an activity based on Indian and International number system. This activity, aimed at engaging students in hands-on learning to strengthen their understanding of place value, number formation, and comparison while exploring both Indian and international numbering systems for large numbers. It fostered collaboration, critical thinking, and numeracy skills in an interactive and engaging manner. Students were very excited and happy at the time of activity.

MATH ACTIVITY

"Mathematics is a place where you can do things which you can't do in the real world."

Math is an important part of learning for children because it provides vital life skills. Maths activities encourage children to develop their reasoning skills, think in a mathematical way and improve their working memory, as well as building their understanding. Students of VII enthusiastically took part in an activity that triggered their curiosity and enabled them to understand addition and subtraction of Integers in an interesting way. They used square pieces cut out of two different colours to represent one colour square piece for positive integer and the other colour to represent negative integer. This activity helped children to learn the concept in a better way. Children enjoyed doing the activity.

A Sudoku puzzle is an excellent tool for building students' critical thinking skills. Students use the given numbers to fill the blank squares so that each number, 1 to 9, appears in every Column, Row, and Block of the completed Sudoku puzzle. Students of Grade VI immersed themselves in an activity on "KNOWING OUR NUMBERS". This activity puzzle helped the students to understand the concept of knowing our numbers in a better way. Children were overly enthusiastic while doing the activity.

HEALTHY AND JUNK FOOD

"Teaching little minds to make healthy choices today for a brighter tomorrow!" At DPS 84 Nursery, we embarked on an exciting journey to educate our little ones about the importance of healthy eating. Through engaging activities, we encouraged them to opt for nutritious foods over junk options. Using flashcards, we sparked their curiosity, asking them to distinguish between healthy and junk foods. From crunchy carrots to tempting fries, they learned to make smart choices for their bodies. We emphasized the significance of healthy foods for strong bones and a sharp mind. Explaining that too much junk food can lead to a "wormy tummy" and weakened bones, we encouraged them to embrace nutritious options. To cap off our adventure, we instilled the habit of handwashing to keep harmful germs at bay, ensuring their health and happiness. Let's empower our little ones to nourish their bodies and minds with wholesome choices!

STORY TELLING

In a cozy corner of DPS Sec 84, Nursery classroom, imagination soared and curiosity bloomed as we embarked on a captivating storytelling session that centred around the beloved tale of "The Hungry Caterpillar." With eager faces and twinkling eyes, our young learners gathered around, ready to delve into the enchanting world of this classic story. Interactivity was key as we engaged our students in the storytelling process, inviting them to mimic the munching sounds of the caterpillarand guess which fruit would come next in its culinary escapade.... Laughter filled the air as our little ones eagerly participated, their imaginations ignited by the magic of the tale .But the story offered more than just entertainment; it was a treasure trove of valuable lessons waiting to be discovered. As we witnessed the caterpillar's remarkable journey of growth and transformation, we gently imparted lessons on patience, perseverance, and the beauty of nature's cycles.

IIMUN ORIENTATION PROGRAM

Students of DPS 84, Gurugram dived into the World of Diplomacy with IIMUN Orientation Program!

We are thrilled to inform everyone that an enriching and empowering orientation program was organized for students of grade IX, X and XI by DPS 84, Gurugram, in collaboration with IIMUN, that aimed at nurturing young diplomats and global leaders. IIMUN (India International Model United Nations) is the world's largest youth-run organization that aims to provide a platform for young minds to voice their opinions on global issues and develop skills essential for leadership and diplomacy. The insightful program helped students gain valuable insights about international affairs, diplomacy, and negotiation skills. The session was very interactive and students participated in stimulating discussions. The orientation program informed students that if they participate in IIMUN it will help them to forge meaningful connections with fellow delegates, enhancing teamwork and collaboration. The program informed students that they will experience the thrill of diplomacy first hand through a simulated Model United Nation training session, where they will represent different countries and tackle real-world challenges. It was a session of learning, collaboration, and growth. DPS 84 always strives to empower the leaders of tomorrow, so let's have one diplomatic conversation at a time and make diplomacy a reality!

LIBRARY ACTIVITY

"In the vast expanse of knowledge, books are the true treasures, surpassing even the fabled loot of pirates on Treasure Island." - Walt Disney

In our school library at DPS Sec84, we have our own treasure island brimming with literary riches. Here, amidst the shelves lined with books of every genre and subject, one can embark on a journey of enlightenment and entertainment by simply diving into the sea of knowledge. Before delving into this treasure trove, it's essential to understand the anatomy of a book. As a prelude to the forthcoming World Book Day on April 23, 2024, scholars at DPS embarked on a learning journey to grasp the different parts of a book. This welcome activity serves as a gateway to the enchanting world of books, laying the foundation for a lifetime of reading and exploration.

PROFICIENCY CEREMONY

On May 4th, DPS 84 was adorned with the spirit of achievement as we honored our proficient scholars from classes VI to IX and XI for the enriching session of 2023-24. The air was filled with melody as our Hindustani choir group graced the occasion with a soul-stirring performance, while our talented volunteers captivated the audience with a mesmerizing classical dance. Amidst the applause and cheers, we felicitated our brilliant subject toppers, section toppers, and the overall topper, showering them with certificates, badges, and for our esteemed overall grade topper, a gleaming trophy. Their dedication and hard work truly shine as beacons of inspiration for us all. But the day didn't just belong to our achievers; it was also a moment for our proud parents to express their gratitude and admiration for the nurturing environment provided by our institution. Their heartfelt words resonate with the core values we strive to uphold every day. Congratulations to all our achievers, and a heartfelt thank you to our dedicated faculty, supportive parents, and the entire DPS 84 family for making this celebration of proficiency a memorable one!

SAFETY AND SECURITY SESSION

DPS 84 is always committed towards safety and security of our students and keeping this in mind on April 20th 2024, our school recently organised a talk with Mr. Navdeep Singh, the beacon of road safety expertise, with over 15 years of dedicated service in the field. As a seasoned Road Safety Advisor and 'Surkshit School Vahan Policy' Expert, Mr. Singh has been tirelessly working to secure our roads and safeguard our precious lives. He shared his invaluable insights with our drivers and helpers. These sessions, meticulously organized by the school, stand as a testament to our unwavering commitment to the safety and security of our students. With Mr. Singh's guidance and collaboration with district administration, we're not just educating, but empowering our transport staff to become vigilant guardians of safe journeys. Every piece of knowledge shared today seeds a safer tomorrow for our school community.

CAREER COUNSELLING

At DPS 84, we believe in nurturing not just academic excellence but also fostering creativity, innovation, and holistic growth among our students. That's why we regularly organize career counseling sessions and workshops to empower our students with skills beyond the textbooks. Recently, we had the privilege of hosting a captivating design workshop conducted by Ms. Nilanjana Thaosen from Atlas Skilltech University. The workshop was attended by students of grade X and XI, it was nothing short of inspiring, igniting a spark of creativity and innovation among our students. From dynamic brainstorming sessions to hands-on design exercises, the workshop provided a dynamic platform for our students to explore their ideas and hone their skills. Witnessing their design concepts take shape fuelled a profound sense of accomplishment and confidence, nurturing a collaborative spirit within our student community. Not only did the workshop cultivate a passion for design, but it also sharpened problem-solving abilities and encouraged out-of-the-box thinking. As our students proudly showcased their innovative ideas for design problem-solving, it became evident that the workshop had not only unlocked their potential but also instilled a lasting appreciation for the power of creativity and ingenuity.

FAREWELL

As the sun sets on another incredible chapter at DPS 84, on Saturday 20th April 2024 we gathered to bid farewell to our beloved students, the Class of 2023-24. Incoming Grade XII celebrated the journey of their seniors, through a wonderful program conceptualized and presented by students independently. The farewell was filled with laughter, learning, and cherished memories that will last a lifetime. From the first day they walked through our gates, these exceptional students have left an indelible mark on our school community. They've shown remarkable dedication, resilience, and passion in everything they've pursued, setting the bar high for future generations. As they embark on new adventures and embrace the opportunities that await them beyond these halls, let us take a moment to reflect on the friendships forged, the lessons learned, and the countless moments of joy shared. To the Class of 2023 - 2024, we are immensely proud of you and your legacy will forever be woven into the fabric of DPS 84, inspiring generations to come. Though farewells may be bittersweet, know that you carry with you the love and support of your DPS 84 family wherever you go. As you spread your wings and soar to new heights, may you always remember the lessons learned and the bonds formed here. Congratulations, Class of 2023- 2024! Your journey has only just begun, and we cannot wait to see the extraordinary paths you will pave.
