FRIENDSHIP DAY

Friendship was in the air as our little ones celebrated Friendship Day with smiles, laughter, and lots of love!

Our tiny friends enjoyed the delightful “Scoop of Friendship” activity, made beautiful friendship cards, and exchanged colorful friendship bands with their buddies. Each little gesture reminded us that true friendship is all about sharing, caring, helping, and making each other happy!

A day filled with sweet memories, happy hearts, and the joy of togetherness!

ELEPHANT DAY

Our little learners had a delightful time celebrating ‘World Elephant Day’ with creativity, music, and lots of cheerful giggles! They explored the wonderful world of elephants and then brought their imagination to life by creating their own adorable dancing elephants. The fun continued as our little ones made their elephants sway, stomp, and dance to the lively rhyme “Ek Mota Hathi.” It was a joyful blend of learning and play, helping children develop creativity, expression, and a love for these magnificent gentle giants. Little hands, big smiles, and dancing elephants made the celebration truly special!

INDEPENDENCE DAY

Little hearts, big dreams, and endless love for our nation!"
Our little patriots looked absolutely adorable as they dressed up as great National Leaders like Subhash Chandra Bose and Rani Lakshmibai for our fun 'Dress & Tell' activity. Students confidently spoke a few lines and brought these inspiring personalities to life. They also came together for a group handprint activity to create the National Flag, celebrating the spirit of unity and togetherness. The celebration continued with a fun 'Tricolor activity' in their sketch files, filling the day with creativity and patriotic colors. "Tiny hands, tiny voices, but a big love for India!"

STORY TIME

Our Pre-Nursery learners enjoyed a delightful story session on “My Happy School.” The story was about a little child who felt motivated to come to school after seeing his friends enjoying their time together. Through the story, children learnt that school is a happy place to make friends, learn new things, and have fun

\

ACTIVITY-DOT DETECTIVES

Our little learners turned into Dot Detectives as they counted colorful dots, matched them with the correct numerals, and placed the cards in the right spot. This engaging hands-on activity made learning numbers fun while strengthening counting skills, number recognition, observation, and one-to-one correspondence.

At DPS, every activity is designed to make learning joyful, interactive, and meaningful for our young minds.

Our little learners came together to share a simple yet powerful message — clean hands keep us healthy and happy! Through an engaging presentation, the children learned that our hands help us play, eat, write and learn, and keeping them clean protects us from germs.

When should we wash our hands?

✨Before eating

✨After using the washroom

✨After playing outdoors

✨After coughing or sneezing

✨Whenever our hands are dirty

With cheerful lines, actions and a lively presentation, our little ones reminded everyone that washing hands with soap and water is a small habit that makes a big difference!
