“Samanvay - Where Imagination Meets Creativity”

DISCOVER OUR SCHOOL

" Education is not the filling of a pail, but the lighting of a fire."

The enthusiastic little explorers of DPS84 embarked on an exciting tour of their school, brimming with curiosity. They explored the infirmary room, principal's office, school reception, library, art room, and the computer lab. At each stop, they engaged in discussions about the importance of these facilities. The tour not only familiarized them with their school environment but also highlighted the resources available for their holistic development, igniting a love for learning and exploration.

TIGER'S DAY

Our pre-nursery class celebrated Tiger Day with excitement and creativity. The event aimed to introduce the children to the fascinating world of tigers in a fun and interactive way. The students learned about tigers- where they live, what they eat, and their distinctive stripes. They enjoyed crafting tiger masks using bright orange and black materials, which allowed them to explore their artistic skills while learning about tiger patterns.

FRIENDSHIP DAY

" Friendship is the only cement that will ever hold the world together."

At DPS84, our KG students celebrated Friendship Day with joy and excitement. They participated in discussions about the importance of friendship, followed by fun-filled games and a delightful movie session. Children engaged in various art activities that celebrated the theme of friendship. The day was filled with laughter and learning, helping students understand the value of friendship while enjoying every moment. It was a heartwarming and educational experience that the children will cherish.

ECO WARRIORS AND EARTH HEROES

The theme of the "Eco Warriors and Earth Heroes" activity was focused on protecting and saving our Mother Nature and Earth, as well as learning about the contributions of great environmentalists. Students were excited and dressed up as their favorite environmentalists, enacting their roles with enthusiasm. They participated eagerly, sharing information about the significant work done by these environmental heroes. Some students dressed as Sunderlal Bahuguna, the leader of the Chipko Movement; others as Salim Ali, the "Birdman of India," and Rajendra Singh, the "Waterman of India." Girls dressed as Sumaira Abdulali, who focused on sand mining and noise pollution; Medha Patkar of the Narmada Bachao Andolan; and Rahi Bai Popre, the "Seed Mother." Students shared important information about the environmentalists' work through presentations. The 'Eco Warriors and Earth Heroes' activity was very inspiring for the students, and provided them with an enjoyable and educational experience.

SEASONAL WARDROBE

The "Seasonal Wardrobe" activity was designed to help Grade 1 students understand the different types of clothing appropriate for various seasons. The goal was to enhance their awareness of seasonal changes and the practical responses to weather conditions. The activity had students participating in a matching game where they had to match different clothing items to the appropriate season. The, "Seasonal Wardrobe" activity was successful in achieving its objectives. The students gained a better understanding of seasonal changes and how they influence our daily clothing choices. The variety of interactive and creative tasks ensured that the learning experience was enjoyable and effective.

WORLD EMOJI DAY

World Emoji Day' was celebrated with great pomp & show by the little Dpsites of PREP- A on 18 July 2024. It was a sight to behold to see children giggling and jumping with joy while enacting their favourite emoticons. To make this celebration grand, teachers planned a special assembly with rhymes and stories that highlighted the theme of happiness.

FATHER'S DAY

At DPS, Sec84 we believe in creating special memories for our children and their families. This year, our Father's Day celebration was an event filled with joy, love, and lots of fun activities. Our Father's Day celebration was a resounding success and held everyone in awe. Beautiful and precious moments were captured. We are grateful to all the fathers who joined us and made the day so memorable.

EXPERIENTIAL LEARNING

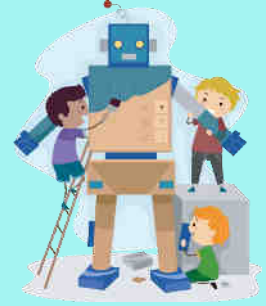

EVS- GRADE I The "My Leafy Family" activity provided an enjoyable and hands-on approach for Class 1 students to explore the concept of family. The children had fun gathering leaves and using them to symbolize their family members. This activity helped them deepen their understanding of family structures while also enhancing their artistic and presentation abilities.

EXPERIENTIAL LEARNING

EXPERIENTIAL LEARNING

EVS- GRADE I- The first-grade students had an exciting ‘Show and Tell’ session centred around clothes and outfits. Each student brought in their favourite outfit to share with the class, explaining why they chose it and what **made** it special for them.

The Clothes and Outfits Exhibition was a fantastic way for the students to express themselves and learn about each other's interests. It also helped build their confidence in speaking in front of the class. Each student did a wonderful job explaining their chosen outfit, and we all had a lot of fun learning about the different clothes people wear for various activities and occasions.

The Show and Tell session, was a great success, and the students are looking forward to the next themed exhibition. It's always a delight to see the creativity and enthusiasm each child brings to the classroom.

ASSEMBLY-GOOD MANNERS

Good manners are fundamental to creating a pleasant and respectful society. We at DPS, Sec 84, believe in building strong relationships with others. Teaching children the value of good manners from an early age sets the stage for their future social interactions and success.

A special assembly on 'Good Manners' was conducted at DPS, Sec 84 where Nursery children actively participated and showcased their understanding of good manners through songs, skits, and presentations. It happened to be educational, entertaining, and reinforcing for the children.

ASSEMBLY-HEALTHY VS JUNK FOOD

Through this interactive activity, children were introduced to the concepts of healthy and junk foods in a fun and engaging way. By fostering an early understanding of nutrition and promoting positive food choices, we can empower children to lead healthier lives now and in the future.

ASSEMBLY- LIVING AND NON-LIVING

The natural environment encompasses all living and non-living things occurring naturally on Earth. Our students of Prep-B displayed their unparalleled talents by participating in their class assembly. The assembly was based on the topic, 'Living and Non-living things.' Students were divided into two groups of living & non-living things where they shared their knowledge about what a living thing can do and a non-living thing cannot. Children made it interesting by presenting the characteristics of living and non-living things in a creative way. It was good to see them reflecting on their learning confidently.

ASSEMBLY

The assembly aimed to educate Grade 1 students about the importance of reducing plastic bag usage and promoting environment-friendly practices on International Plastic Bag Free Day. A visual presentation illustrated how plastic bags harm marine life and pollute our environment. Simple language and visuals were used to ensure that Grade 1 students could understand the concepts easily.

The assembly successfully raised awareness among Grade 1 students about the importance of International Plastic Bag Free Day and inspired them to take action to protect our planet. By empowering students with knowledge and practical steps, the assembly aimed to foster a sense of responsibility towards environmental conservation from an early age.

DISCOVERING LAW WORKSHOP

DPS 84 regularly organizes career counseling workshops for their grades XI and XII. On 26th July 2024 our students attended a successful "Discover Law" workshop held at CCA School Gurugram, organized by TIME, IMS. This engaging event drew enthusiastic participation from students across various other schools. The workshop provided a comprehensive overview of law as a career, highlighting the diverse opportunities and pathways available within the legal profession. Expert speakers from TIME IMS shared valuable insights into the skills and attributes necessary for a successful career in law, emphasizing the importance of analytical thinking, effective communication, and ethical judgment. A significant focus of the workshop was on the Common Law Admission Test (CLAT), a crucial entrance examination for aspiring law students in India. The experts detailed the structure, content, and strategies for excelling in CLAT, offering practical tips and guidance to help students prepare effectively. Interactive sessions allowed participants to ask questions and gain clarity on various aspects of the examination process. Students from DPS Sector 84, actively participated in the workshop, showcasing their keen interest in pursuing law as a career. They engaged in discussions, posed thoughtful questions, and benefitted from the personalized advice offered by the experts. The enthusiasm and eagerness displayed by the DPS Sector 84 students were commendable, reflecting their dedication to exploring and excelling in the field of law.
