PURPLE COLOUR DAY

Class: Pre-Nursery

**We love purple, we love purple.
Yes, we do. Yes, we do.
Purple grapes and eggplant,
Purple plums and grape juice,
Just for me, just for you.**

Purple is a colour that symbolizes compassion, creativity, dignity, magic, free spirit. Purple day, as celebrated at school, was a free-spirited day where all the children as well as the teachers were dressed in their "Purple Best". Children enjoyed making Purple colour teapot craft and showcased their talent through "Show-n-Tell Activity" By reciting rhymes on purple colour and their favourite purple toy.

PURPLE COLOUR DAY

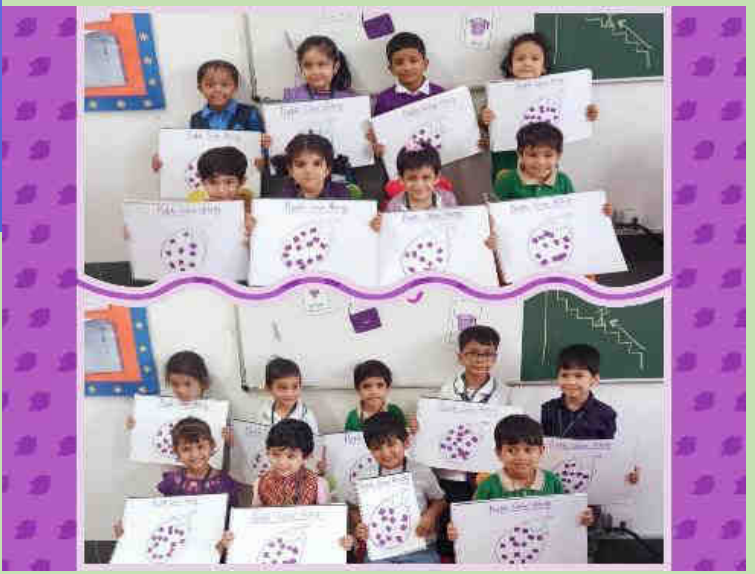

Class: Nursery

Purple day celebrations prompted the young ones to think how colours enhance and influence our lives. It turned out to be a remarkable day filled with fun and enthusiasm.

DIWALI CELEBRATION

Class: Pre-Nursery

‘Let us move from untruth to truth and from darkness to light.’

Diwali celebrations at school often mean a festive look with diyas and lanterns adorning the class. The activities permeate the school premises with an atmosphere of togetherness and hope. The students of the Pre-Nursery celebrated the festival of Diwali with great enthusiasm. The blooming buds were taught about the significance of the festival - how good has always conquered the evil and also about why and how Diwali is celebrated across India. Besides sensitizing students about the ill-effects of crackers. Wonderful dance presentation by the students instilled a sense of victory of light over darkness, knowledge over ignorance, good over evil, and hope over despair. The tiny tots enjoyed the day by making coconut laddoos, paper lanterns, rangolis and decorating diyas. The entire celebration filled the hearts of all students with the spirit of Diwali and they enjoyed the celebrations wholeheartedly.

DIWALI CELEBRATION

Class: Nursery

Festivals are an integral part of our life. They unite people by bringing them together for celebration and happiness. This helps us in breaking the monotony of life.

India being a cultural and diverse country, we get so many opportunities to celebrate every festival with great enthusiasm and love.

One of the most popular festivals of India 'DIWALI' symbolizes the "Victory of light over darkness, good over evil and knowledge over ignorance". This festival is all about sharing love and joy.

Our little DIP sites came dressed in ethnic clothes and enjoyed activities like rangoli making, lantern making, Diya making and decoration. They also enjoyed sharing sweets with their friends and teachers. The celebration did not end there, they also enjoyed singing and dancing on this occasion. The pleasure that they all derived from being together and enjoying each moment was a sight to capture and create memories.

Ramayan - Carrying forward our legacy

Festivals are happy occasions to be shared with everyone. To inculcate this value, children brought diyas and shared them with our daily helpers at school.

To top it up further, students came dressed up as Ramayana characters, for a festive parade.

They spoke a few lines about their character portrayal. They also drew different shapes to make rangoli and decorate their class for the festivity.

HALLOWEEN

Grade 1 and 2

Halloween takes place on October 31. It is a time when people dress up in costumes, go trick-or-treating, and carve jack-o'-lanterns from hollowed out pumpkins. Ghosts and witches are popular costumes of the children who go from house to house saying, "Trick-or-treat!" The treat is usually candy.

Students enjoyed making scary faces. The activity was conducted house wise. In final shot they posed with their paintings making scary faces.

Safari-

**A plunge into the sea,
monkeys on the tree.**

**A farm to adore
where hens and chickens galore.**

Our nursery kids at DPS-84 went to a safari, then dived into the sea and could thereafter strolled through the farm - Unbound and fearless.

Don't be surprised. They experienced the jungle, the sea and the farm through an amazing set up by our nursery faculty. Their eyes widened and faces lit up seeing the shark in the sea, bear behind a tree and chicken jumping with glee.

It was a bewildering and joyful activity, enjoyed thoroughly by our little ones.

Story telling:

Storytelling is the most powerful way to put ideas into the world today.'—Robert McKee.

To utilize the create magic that the Stories create and the innate love that the kids have for stories a story telling session was organized. The main focus of the session on the story ' The Rainbow Fish", was on the expression and the student's imagination.

The children enjoyed it thoroughly and also promised their teacher that the message that this story gives of “sharing is caring” will be practiced by them in their own lives as well.

Types of Soil

Soil is the uppermost layer of the Earth's surface in which plants grow. It is an important natural resource which forms the basis of agriculture. All living things depend directly or indirectly on soil because no plants can be grown without soil. Students learnt about the importance of soil and their types. They prepared a presentation about different types of soil, places where they are found, and the type of crops that can be grown. This activity helped them to understand the importance of soil and the reason to conserve.

Grade VII

For the Chapter 'Hop, Skip and Jump' in the Literature course of Grade VII, students were asked to play a game of hopscotch, as it is a simple traditional age-old game with simple rules to understand. The game can be played both indoors as well as outdoors. The game requires physical agility, nimbleness, the player's balance and precision. It is a good game for children. It is loved and played globally with different names and minor variations in the rule. The Activity was taken up with students and was thoroughly enjoyed by them too.

EXPERIENTIAL LEARNING

Grade VI

For the Chapter 'A Stem to a Stylus' in the Literature course of Grade VI, students were asked to take help from the picture of clay tablet given in the book; draw their own message using signs, symbols and emojis and ask their parents at home and their classmates in school to try to interpret what they have written. Activity was thoroughly enjoyed by the students. Please find pictures in the activity folder Experiential Learning Grade VI English.
