GANDHI JAYANTI

DPS 84 celebrated the birthdays of two great leaders who have left an indelible mark on the history of our nation— Mahatma Gandhi and Lal Bahadur Shastri. To commemorate the day, students of class IX performed a dance, a skit on Dandi March and a song. As we celebrate Gandhi Jayanti, let us strive to embody the values he held— tolerance, harmony, and the relentless pursuit of justice. Through our actions, let us honour his memory and work towards a more compassionate and equitable world. Students also paid tribute to Lal Bahadur Shastri who championed the virtue of self-sufficiency. Students gave a speech on the legacy of his humility and integrity. As we celebrate Gandhi Jayanti and Lal Bahadur Shastri Jayanti, let us remember that their legacies are not confined to history books but live on through the actions and values of each one of us. Let us be the change-makers, the peacemakers, and the leaders of tomorrow, inspired by the timeless wisdom of these great leaders.

The students of grade XI celebrated a day that's all about understanding, supporting, and advocating for mental health. They shared their stories, insights, and tips for maintaining a healthy mind and organised Guided Brain Gym exercises for the whole school which was a very calming session. The students through these exercises learnt how to de-stress and find their inner peace. They also organised a quiz on the same topic and made us all remember that mental health matters, and it's okay not to be okay sometimes. Together, we can create a safe space where every voice is heard and every feeling is valued.
