TEACHER'S DAY

Teachers' Day Extravaganza!

5th September: The day celebrating the unconditional, sweet and sour teacher-student bond. The bond that shapes the essential foundation of our lives, teaching us life lessons.

DPS 84 kick started their day through an assembly where in students acknowledged their teachers' dedication and hard work.

The students presented heartfelt tributes and token of gratitude to express appreciation for their teachers. These extra special surprises captured all our hearts!

The talented students had prepared special performance dances, skits and poems to entertain and honour the teachers.

Our students made this Teachers' Day a memorable one for all our incredible teachers, who shape their lives and inspire them to reach for the stars.

PROFICIENCY CEREMONY

On 31st August 2023, DPS 84 held a momentous event to celebrate the academic excellence and overall development of the young scholars of Class II for the academic session 2022-23.

The Proficiency Ceremony was a testament to the dedication and hard work exhibited by our students, teachers, and parents throughout the year.

The Proficiency Ceremony served as an inspiration for the entire school community.

The students were honoured with certificates and applauded for their excellence.

The ceremony was also graced by dance and musical performances and inspiring speeches by students showcasing their diverse abilities and passions.

As we move forward, let us remember the valuable lesson this event left behind—‘ With right support and determination, every student can excel.’

STRESS MANAGEMENT WORKSHOP

Taking a step towards well-being through stress management workshop.

Keeping in mind the well-being and professional development of the teachers, a stress management workshop was organised and conducted by Shalini Agarwal, Principal Dwarka International School and Ms Rajni Ashat, Ex-Principal DAV, Gurugram. The workshop aimed to enlighten teachers with practical strategies to manage stress effectively.

The workshop introduced a range of stress management techniques including deep-breathing techniques, time management strategies such as setting priorities and creating schedules.

Moreover, the teachers at the workshop also threw light on the importance of meditation, practicing mindfulness, role of physical activities and nutritious diet in reducing stress.

The CBSE Stress Management Workshop was a resounding success, providing valuable insights and practical tools for managing stress in the ever evolving world of education.

HINDI DIWAS

“हिंदी किसी एक प्रदेश की भाषा नहीं बल्कि देश में सर्वत्र बोली जाने वाली भाषा है” -विलियम।

हिंदी दिवस राष्ट्रीय उत्सव है, जिसे हर साल 14 सितंबर को मनाया जाता है। हिंदी दिवस एक अवसर है, हिंदी भाषा को सम्मान देने एवं उसके गौरव को बढ़ाने का। 14 सितंबर 1949 को संविधान में हिंदी को भारत की राजभाषा के रूप में स्वीकार किया गया। हम भारतीयों की पहचान, गौरव और धरोहर; हमारी संस्कृति, परंपरा और हमारी भाषा ही है, इसलिए हमें अपनी पहचान को खुलकर एवं गर्व से व्यक्त करना चाहिए। इसी भावना को अपने हृदय में संजोये दिल्ली पब्लिक सेक्टर ८४, गुरुग्राम के विद्यार्थियों ने हिंदी दिवस पर विशेष प्रार्थना सभा का आयोजन किया। सुविचार, नृत्य तथा नाटक ने सभी दर्शकों का मन मोह लिया। कक्षाओं में भी अनेक गतिविधियों का समावेश किया गया।

JANMASHTAMI

Janmashtami is celebrated as the birthday of Lord Krishna, one of the most powerful and famous reincarnations of Lord Vishnu. This day indicated the beginning of hope in the older times; hope, that the malicious rule of Kansa would soon end. To seek the blessings of Lord Krishna, Janmashtami was celebrated for Nursery kids at DPS on September 4 with boundless joy. The kiddos of nursery came traditionally dressed as Radha and Krishna. A panorama of splendidly colourful activities was organized where students danced on Krishna songs and joined in the Matki Decoration Activity.

RAKHI CELEBRATION

'Rakhi is a bond of love,
A bond of togetherness,
It's a thread that binds,
Our life and our hearts.'

Rakhi is the symbol of love between Brother & Sister!! Our children enjoyed celebrating this festival by making beautiful Rakhis. Teachers gave fruitful information about this festival, and why it is celebrated. Finally the day ended with great fun. May the celebrations of Raksha Bandhan be full of Merriment and Enjoyment for you and your Siblings.

SPORTS DAY

'Sport teaches you character, it teaches you to play by the rules, it teaches you to know what it feels like to win and lose - it teaches you about life.'

National Sports Day is an annual observance that falls on August 29. The day commemorates the birth anniversary of Major Dhyan Chand, the hockey wizard of India. The purpose behind the observance of *National Sports Day* is to celebrate the legacy of *Major Dhyan Chand* while creating awareness about the need and benefits of incorporating sports and physical activities into our day-to-day life. Several sports activities were organised in the school for the nursery kids. These events were designed to be engaging and suitable for their age, while also promising to improve their coordination and motor skills.

Names of the activities are as follows-

Pick and Drop Race

Hulla Hoop Race

Umbrella Race

The Hungry Monster

The event was filled with laughter, cheer, and many unforgettable moments. Every child was a winner and they got a medal as a participation reward.

COCONUT DAY

'World Coconut Day' is celebrated every year on '2nd September'. The day is celebrated to highlight and raise awareness about the importance and benefits of coconut. To celebrate and spread awareness about the same our students of Nursery participated enthusiastically in different activities. Our little ones of nursery were apprised of this wonder fruit because of the multiple health benefits and its uses and importance of coconut; that it is highly nutritious and keeps us hydrated. It was a fun-filled learning session that boosted their confidence and enriched their knowledge about this 'wonder fruit'

COCONUT DAY

PLAY DOH DAY

Playing with clay dough is a great activity which facilitates kids' development in many ways. It nurtures child's creativity, boosts imagination and instills self-confidence. This activity also helped the kids in improving their eye hand coordination and in building both gross and fine motor skills. By keeping this in mind, today we have organised a *Play dough activity on the Topic- 'All about me' for Nursery kids. In this activity kids enjoyed making the eyes, nose and smile with the help of clay to complete the given picture. Children showed great interest, dedication and enthusiasm decorating the particular picture.

INTERNATIONAL DEMOCRACY DAY

The students of Grade IV-D presented an assembly on 'International democracy Day '.

Democracy is a universal value based on the freely expressed will of people to determine their own political, economic, social and cultural systems and their full participation in all aspects of life. Our support for International Democracy Day stems from our core belief that democracy requires the participation of all citizens. The occasion of International Day of Democracy holds much importance for the world's largest democracy, India. The students of Grades IV D of DPS-84 marked this day with a special assembly. They prepared an informative skit depicting the lack of democracy rule in various countries and how democracy is important for the growth of a nation and the world as a whole. Young minds also presented speeches on the importance of celebrating such a day. The assembly ended with a pledge to uphold the values of our Constitution - the written testament of our democratic existence.

ORANGE COLOUR DAY

"Colours are the smiles of nature. So, is the colour Orange."

As the kids grow so do their knowledge towards things around them. The young minds are always fascinated by the colours & also enjoy them, Keeping this in mind we celebrated another colour day "ORANGE COLOUR DAY" for Nursery kids. The kids identified various orange colour objects and spoke few lines on them. They indulged in a Tearing and Pasting activity on carrot during the session. All the kids were shining in their orange colour dress and they enjoyed the session thoroughly.

ORANGE COLOUR DAY

GANESH CHATURTHI

Ganesha Chaturthi is the festival that honours lord Ganesha. As the god of beginnings, prayer is offered to Lord Ganesha for any obstacle to be removed. Today our little toddlers of Nursery celebrated Ganesh Chaturthi and invoked God Ganesha for blessing them with good learning as they embark on their journey of education. To mark this occasion, kids made Lord Ganesha with the help of sponge printing and clay. A story-telling session by the class teacher added more colour to the celebration. All the children danced on song Oh My Friend Ganesha song. Kids enjoyed the celebration and had a lot of fun...

GANESH CHATURTHI

SHOW N TELL

Community helpers play a vital role in our society by providing essential services that keep our communities safe and functioning smoothly. In the spirit of promoting awareness about the vital role of community helpers, a 'Show and Tell' competition on *COMMUNITY HELPERS* was conducted for Nursery kids. Students were dressed in different attires for Roleplay which helped them to be aware of important people in their neighbourhood and community. The objective of conducting such activities is to allow the students to identify different types of community helpers and their tools. This activity was also a perfect way of improving the children's speaking skills and vocabulary along with enhancing their emotional and social skills. Students enjoyed playing their roles and learnt about the roles and importance of different community helpers.

STORY TIME

Storytelling is an effective tool for learning and development in Kids. Storytelling for kids creates empathy in them, helps with their brain development, and lays the groundwork for the development of social, communication, and interpersonal skills. Today the kids of Nursery had a story telling session on the topic *Obey Your Parents*. Teachers narrated a value based interesting story to the children. Kids learnt the lesson that they should always listen to their parents. Kids were engaged in the session and enjoyed it.

ASSEMBLY

" The solar system is completely wide open. Almost anywhere we go, I'm sure we could learn a lot. "

Today the tiny tots of DPS Sector- 84 has taken us to the wonderful journey of Solar system during the morning assembly. It was an adventurous and informative session regarding the sun , the eight planets and their satellites.

ASSEMBLY

ASSEMBLY

"If we wish to rebuild our cities, we must first rebuild our neighbourhood."

It is always nice to watch our kids perform in the assembly. And if the topic is as interesting as our neighbourhood then the creativity and enthusiasm of the participants reach a level which is bound to be admired by the audience. The students started the prayers followed by a beautiful thought and the pledge. The presentation on the theme 'Our Neighbourhood' was done with the help of different props which depicted the different places around and their user in the society.

Good transportation promotes business ventures by enabling the workforce to move around **safely** and quickly. Each day and at every moment, the importance of transportation is apparent. The whole political, social, economic well-being of a nation relies on a well-organised transport system. Transport in India is an essential factor that impacts the development of the country. Transportation is an essential part of our world. It is the basic infrastructure and its development is directly proportional to the development of the country. Transport helps in improving connectivity within and outside of the country.

Transportation in India is an essential part of trade and the economy. India has transportation by road, water, and air. This includes railways which were solely introduced by the British for the purpose of trade. Over time, India has developed its transportation to ensure better connectivity between people and also to ensure economic growth. Children of class prep -B, conducted assembly on 18th September on different modes of transportation. The effort and participation of students were appreciated, by principal ma'am which further encouraged the students.

ASSEMBLY

' The Universe is vast, yet we are not insignificant. Each one of us is just as much a part of the totality as the venerable tree or a bright star. The Universe is the community of all beings. It is not a He or She or an It. It is Us.'

Class - 1 D

Theme - Planets

Today students of grade 1 performed in the school morning assembly. The theme of the assembly was ' Planets'. They shared some of the most interesting and amazing facts about different planets. Students presented their theme using different props. Students enjoyed and learnt facts about different planets which were new to them.

"There is no such thing as 'away'. When we throw anything away it must go somewhere."

Yes, it is at our helm to throw the garbage responsibly. A lot is talked about the "Wet Waste" and the "Dry Waste", however very little is known about the same. Students of Grade II B made an attempt to spread awareness about Wet and Dry Waste. They demonstrated the segregation of the wastes using real waste materials. A dance performance was also done reiterating the importance of segregating the wastes and throwing them in the Blue and Green dustbins.

ASSEMBLY

"Darkness cannot drive out darkness: only light can do that. Hate cannot drive out hate: only love can do that."

Class 2A presented the morning assembly based on the theme of peace and Non-Violence. The assembly started with the thought of spreading the message of love and peace. It's important to first discover inner peace by singing prayer songs. Students shared their thoughts on the day and updated the school with national, international, sports news and the weather forecast.

"Peace begins with a smile."— Mother Teresa

A special presentation on the thoughts related to peace, narrated by famous people was presented. In a world filled with conflict, songs about peace can bring hope and happiness to humanity. It's worth remembering that some of the most hopeful, enduring protest anthems have come from especially tense moments in history. Students sang the song "Light a candle for peace" to spread the message of World Peace.

ASSEMBLY

ASSEMBLY

"Those who are happiest are those who do the most for others."

As rightly said, the students of grade 2 E staged an assembly starting with the Prayer, followed by the Thought of the Day, News, Weather Report, presentation, dance performance, and pledge, (based on the theme – "People We Need") culminating with the National Anthem. It was heartening to see these little ones staging a perfect show.

EXPERIENTIAL LEARNING

Learn by **DOING**.

Eating the right food in the right amount is what keeps a person healthy. The key to staying healthy is having a Balanced Diet. This balanced diet can be achieved by following a Food Pyramid which has various foods mentioned in a proportional amount. Digestive System is responsible for breaking down foods and liquids into their basic chemical components like fats, proteins, and carbohydrates.

EXPERIENTIAL LEARNING

"Tell me and I forget, teach me and I may remember, involve me and I learn."*

Learning through games is fun and here in DPS to make learning fun for our kiddos, we incorporate interesting games for as a part of Experiential learning. Students of class Nursery learnt about the numbers and community helpers through different activities. In Number games kids identified the numbers 1-5. The Class Teacher also enacted the Hair Salon Dramatic Play in front of the kids to make them understand the work of hair dresser. The children got the opportunity to meet helpers in school and also presented thank you cards to them. Kids enjoyed the activities and learnt the concept in a fun way.
