

DELHI PUBLIC SCHOOL

SECTOR-84, GURUGRAM

NEWSLETTER

What we think we become.....Our legacy comes alive.....

SEPTEMBER 2017

Delhi Public School, Sector 84, provides a challenging and a supportive environment for both academic and personal development . The school is committed to building the child' s confidence and self- esteem and offers a strong developmental programme where integrated studies and hands on participation inspire a love of learning and accomplishment . The school also encourages self-discipline, creativity, independence of thought and tenacity of purpose with the understanding that both success and failure are necessary for learning .

PRE-PRIMARY SCHOOL

The formative years of children determine the kind of person they grow up to be . During these crucial years, each child needs individual attention and conviction that he /she is important . We believe that each child is gifted with a unique set of strengths. Teachers at DPS, employ methods that children find inspirational, engaging and valuable keeping their psychomotor skills, gross motor skills and one-to-one correspondence in mind . The school consciously aims for each student to develop skilled perspective and creative expression through daily experiences .

An insight into the world of our little ones ...

As a part of their ongoing theme 'Animals', students of Nursery made cows and bears with their teacher's help . They thoroughly enjoyed making cow masks and paper plate bears .

Cow on the farm says...moo moo moo !

Pets Day Out!

Students of Pre-Primary had some fun filled time meeting pets . The parent explained students about handling the pets well, what do they eat, how many times should we feed them etc in an interesting and informative session .

Knowing the colours!

Students of Nursery explored 'Purple Colour Day' . They were all dressed in purple colour and did various activities related to the colour .

Hands on activities....

Let's see what Nursery students explored ! Mixing of two Primary colours : red and yellow gives orange .

Colourful Handprints

Creativity at its best!

Things we get from plants!

Students of pre- primary explored what all plants can give us. It was amazing to see their involvement in researching the same .

Learning to count in a fun way - Quantification of numbers

LET TODAY BE THE START OF SOMETHING NEW...

Sharing Learning Experience – The Pre Primary students explored the Plant Kingdom. Theme Assembly was conducted on 16th September to mark their learning journey. They danced and recited rhymes in-front of their parents to showcase what they had learnt.

Water Conservation Rally

We never know the worth of water till the well is dry....

Knowing the importance of saving water is commendable for our little angles of Kindergarten. They discussed various methods of saving water and made posters to reflect their learning.

CELEBRATION TIME !

God couldn't be everywhere so he made grandparents...

Grandparents are a family's greatest treasure, the greatest storytellers and keepers of traditions. Grandparents are the family's strong foundation and through their special love and care, they keep a family close at heart. To honour them the students of Pre-Primary celebrated Grandparents Day on 26th September, 2017.

The function started with welcoming the grandparents followed by a small dance performance by students. Then our little ones dedicated a sweet poem to their dada/dadi and nana/nani. They enjoyed doing an art and craft activity with them.

PRIMARY AND MIDDLE SCHOOL

The early years of a child..... when the young minds start to develop . . . when curiosity runs high . . . these are the moments when the child wants to explore and experiment .

It is here that we step in to facilitate and ensure that the child misses out on none of the above . To see that his/her class-work and an enquiring bent of mind go hand-in-hand, we endeavour to foster appropriate skills and abilities to enable the optimum development of the child, according to their age, ability and aptitude, right from their primary years .

A peak into our classrooms

GRADE I:

Children participated in Show and Tell Competition on "Types of Plants" . They sowed seeds to understand what all is needed for plants to grow . They kept it in the class and took care of it . They also made Ravana mask to celebrate and understand the importance of Dusshera . Regular counselling sessions were also held to make them understand how to take care of themselves and stay safe .

GRADE II:

Students enjoyed the Hindi Recitation Competition. All student participated enthusiastically using beautiful props and portrayed a lot of confidence. They were given information about Eid ul Zuha and Dusshera to enhance their knowledge about the festivals celebrated in India. Children also enjoyed watching stomata through microscope in the science lab .

GRADE III:

Grade III students witnessed the Intra-Class English Poetry Recitation Competition, wherein students learnt to recite with expression and actions, portraying complete team spirit and displaying wonderful props. Our budding artists thoroughly enjoyed the Nature Painting Competition in the lush greenery of the school. Sports activities were challenging and motivating for the students too.

Grade IV :

English class was fun for Grade IV students with the enactment of "The Disastrous Dinner", portraying the traits of all the characters from the narrative. Students also learnt the art of recitation in the Intra-Class Poem Recitation Competition. They used innovative props and recited confidently with appropriate actions and expressions. They were taken for outdoor activities in the sports ground where tips were given by their sports coach on warming up exercises and playing football. Nature Drawing Competition was enjoyed by all students.

GradesV - VII :

The Principal addressed the students to sensitize them on how to be vigilant and safeguard themselves from any kind of danger. She also discouraged them from being involved in any kind of bullying activities in school. They were also apprised about the risks and dangers of using social media. In addition to this they were also explained what is good touch and bad touch through videos. This was a hectic month for our senior students as they were busy burning the midnight oil to prepare for their Term I Exams.

TALENT SHOW :

Our culture, our traditions, our language are the foundation upon which we build our identity.

With the aim of nurturing the artistic aptitudes of our students the first Talent show 'Our Legacy-The story comes alive', was organized in the school grounds. On this delightful occasion, the students showcased their skills and brought out their undiscovered talent. The show began with the journey into India's Independence and highlighted a few incidents from that period of Indian history. The magnificent models of our heritage -Tableau on Mahabodhi Temple, Sanchi Stupa, Taj Mahal, Qutub Minar, Parliament House and India Gate, representing the Ancient, Medieval and Modern Indian history, was an added attraction of the entire show. They were much appreciated by the parents for their artistry and grandeur.

ASSEMBLIES:

'Dussehra celebrates the victory of the forces of good over evil. It is also considered an auspicious day to begin new things in life.'

Theme based assembly was conducted in the month of September celebrating the special occasion of Dusshera. by the students of Grade III and Grade IV to reiterate the ideology of good over evil. Students presented a beautiful depiction of Ramayana in the form of Ramleela. The students of early years were simply awe struck to see their seniors on stage as Ram, Sita, Lakshman, Hanuman and Ravana. The certificates for various events were also given by our respected Principal.

Nothing is more important than the safety, security and well-being of our students...

All safety and security measures are strictly adhered to in DPS Sector - 84 for the well-being of all students. We have digitally backed full proof school security system. All safety protocols are followed and have been shared with the teaching staff and regular meetings are conducted for the same. Regular counselling sessions and evacuation mock drills are held for students.

A session conducted for 60 mins with fourth class staff of the school as they are an important part of the school. The session started with a short film on Good touch and Bad touch in Hindi language to address importance of the session. This Session was covered with complete introduction about Child Abuse and types of abuse with examples. Good touch and Bad touch was explained in their context so that they could understand their responsibilities with proper guidelines.

HARDWORK ALWAYS PAYS OFF

Dipsites were rewarded today for their hardwork, commitment and focus. Students who had won in various Class and Inter-House Competitions were felicitated today during assembly and were given certificates by the Principal.
