# INNOVATIVE CLASSES: MATHEMATICS

Stu

dents worked in teams created shops and did the role play of shopekeepers and coustomers to understand the process of profit and loss. They thoroughly enjoyed the activity and found it an enriching experience.

**Weighing Balance Making Activity:** Students enjoyed making individual weighing balances to undertand the concept of mass.

Students enjoyed the activity of making tiling patterns using Rangometry kit in the Mathematics lab.

# INNOVATIVE CLASSES: SCIENCE

Students of grade-VI-B learnt the different adaptations through project presentation activity.

The Science class was fun for our young scientists who were amazed to learn about their internal and external body parts. Observing the skeleton gave them an opportunity to identify all the bones of the appendicle skeleton on a mode.

# INNOVATIVE CLASSES: FRENCH

## FRANÇAIS C'EST FACILE ET AMUSANT! [FRENCH IS EASY AND FUN]

To enhance students' interest in learning a foreign language we have introduced fun based French teaching at DPS SECTOR -84. We aspire to enable our students to be multilingual and become Global Citizens.

**ROLE PLAY:** *Topic-* DANS LA CLASSE (PROFESSEUR ET L'ÉTUDIANT)

**OBJECTIVE:** To learn basic instructions and interaction between teacher and students during French class

**GAME:** JAQUE à DIT (SIMEN SAYS)

**OBJECTIVE:** To learn verbs without translation based on actions.

# INNOVATIVE CLASSES - KINDERGARTEN

Students enjoyed gift decoration activity for Charismas. They kept their gift boxes near the tree to gather lots of gifts from Santa.

Students did onion printing to make flowers. This activity helped them to learn eye and hand coordination.

Addition was fun when students learnt to calculate using sticks.

# ANNUAL DAY

14<sup>TH</sup> DECEMBER, 2019

## -DECORATION -

# FELICITATION

The show started with the felicitation of Honorable Guests by the Principal and the Lighting of the lamp.

# SPEECHES

The Principal addressed the gathering by welcoming the Honorable Guests and parents. She acknowledged the achievements of our students in various fields of education. The Chief Guest Dr .Surendra Prasad also addressed the gathering and congratulated team DPS, SEC-84 for imparting holistic education to the students. Ms Menaka Lakhnpal introduced Ms.Mehra and Spread a Smile,India to the audience which was followed by the speech of Sangria Mehra. We also had Mr Neeraj Malik who enlightened the audience with his motivational speech.

# THE JOY OF GIVING

**Felicitations of Parents involved with The Joy of Giving initiative and Cheque Presentation by our esteemed PVC, Mr. Vira-our mentor, The Chief Guest, The Principal and other dignitaries to Spread a Smile, India.**

# SPARSH-THE TOUCH OF NATURE

**DPS, SEC-84 aims to spread awareness among students, parents and staff to 'Save Nature'. We have over used natural resources and have forgotten to nurture Nature. The Earth is suffering due to pollution and will soon die if we don't rise up and do something about it. This thought was depicted through an enlightening 'Dance Drama'.**

# DANCES

Various dances such as the Tree Act composition, The Machine vs Man dance, The Jungle dance, A classical Court dance, An 18<sup>th</sup> century Ball, The Dance of Chaos based on the SHIVA Tandav and the Tatva dances depicted the theme of the play and presented various dance forms like contemporary, traditional Sufi and classical with innovative choreography. Students participated with great zeal and enthusiasm. The make-up, costume, light, sound and stage decoration were all in sync with the theme and added to the effective presentation of the show.

# BEHIND THE SCENES

The hard work with dedication

Students of Grade-VA and B presented the Christmas Assembly.

They narrated the story of Lord Jesus' birth and also specified why it is celebrated in the month of December. Students depicted the story well with expressions. They sang Christmas carols with joyous enthusiasm.

The importance of the Christmas tree, stars, bells and Santa Claus was also narrated. The Principal appreciated the students for their hard work. The school students enjoyed the celebration and wished happiness to each other. The assembly was concluded by singing the National Anthem.

# CHRISTMAS ASSEMBLY

## 24<sup>TH</sup>, DECEMBER, 2019

# CHRISTMAS DAY CELEBRATION

## KINDERGARTEN

Primary wing thoroughly enjoyed Christmas with a special corner decorated at the reception. They crafted Santa's face using clay, Christmas bells to decorate the corridors and Christmas stockings to collect gifts from Santa. Pre- primary also enjoyed a Christmas Party inside their classes with fun filled music, dance and class potluck. Students were mesmerized when Santa visited their class with lots of gifts and chocolates.

# RED DAY

Pre-primary Wing of DPS 84, Gurugram, conducted 'Red Day' activity to introduce children to the mesmerizing realm of colours. The shades of red made our tiny tots feel bright, lively and cheerful.

'Red' colour symbolizes enthusiasm, life and vitality. The day started off with the colour red every- where red dress, red rose, red teddy, red car, red apples, red cherries, here a red..... there a red..... red red everywhere .....

The little ones looked stunning in their red outfits. Special activity was conducted with emphasis on significance of red and black colour. All the students spoke a few sentences on the red object they brought from home.

It was a scintillating day with innocent faces gleaming and reflecting brightness, joy, love and happiness.

# COMMUNITY SERVICES

*“A fun activity that introduced our little learners to the world of community helpers”*

Students were introduced to the community helpers through an interesting ‘Dress and Tell’ Activity under the theme

‘Let’s Pretend’. The children were informed about the role of community helpers in society. They came dressed as their favorite community helper and spoke few lines about the character they portrayed. The activity not just apprised them about the community helpers but also helped in developing their confidence and public speaking skills.

**DRESS AND TELL**

# TECHNOPHILE

## DPS 84 is a Code Club School

### Raspberry Pi Foundation, UK

Raspberry Pi Foundation, UK felicitated DPS 84 for being “a Code Club School”. Being a registered member of Code Club we have provided ample opportunities to our students to learn coding in an easy and interesting way. To enhance coding skills, our students were assigned projects from Code Club/ Raspberry pi to explore and learn.

Many students came up with interesting outputs. To name a few,

*Yug Yadav (VI B), Kavish Devar (VI B) , Shaina (VII A) , Suryansh Gupta (VIII A) were appreciated for their projects as witnessed by*

*Ms Vasundhara Srivastava (Club Programme Coordinator, India, Raspberry Pi Foundation, UK).*

They learned to develop simple games, animations and websites.

# Session on Raspberry Pi

19<sup>th</sup> December 2019

## Appreciation Story

**International level competition organized by Raspberry Pi foundation UK**

Participation by Yug Yadav (Grade VI B) granted him an appreciation certificate for his interesting animation project made by using scratch on the topic 'Shaun the Sheep: Mission to Space'.

Children of Grade V learnt about Raspberry Pi and how it is used to learn programming skills, build hardware projects, do home automation, and even use them in Industrial applications.

Ms. Vasundhara also demonstrated how to access free projects on [www.Raspberrypi.org](http://www.Raspberrypi.org) and interacted on coding with Ms. Vasundhara Srivastava.
