Class: Pre-Nursery

Children are budding stars, the more we embrace them, the more they shine. The day commenced with morning prayers followed by an informative and fact filled slide share highlighting the relevance of Children's Day. The little munchkins of Pre-Nursery on November 13, 2021 celebrated the event with the activities organized to stimulate the creativity and inherent interest of the children to make their day special. The vibrant children were dressed up in different colorful costumes with funky hairstyles. A diverse range of playful sports activities and the rocking dance performance by teachers and students on light song numbers kept the young ones tapping their feet on the songs.
