## NATIONAL POLLUTION CONTROL DAY

### Pre-Nursery

To breathe clean, let us go green

The National Pollution Control Day is celebrated in India every year, on 2nd December to make everyone aware of the significance of the pollution control acts and ways to prevent the industrial pollution which is a result of human negligence. As the extension of the theme of the month: "The Different Modes of Transport", National Pollution Control Day was celebrated by the tiny tots of Pre-Nursery on 02nd December, 2021. The students observed this day through awareness raising activities on virtual platform, where they learnt the importance of GO GREEN and create a clean and pollution free environment for a healthy living. They made posters with inspiring messages and took a pledge to protect the mother earth.

## MONKEY DAY

### Nursery

*December 14 is Monkey Day! We may look just a bit different from our primate pals, but we shouldn't forget that we share a common ancestor with them in chimpanzees!*

*Monkey Day plays an important role in educating people about the present dangers these animals face.*

*Not only they are playful, intelligent, and friendly, but are also some of the cutest animals around!*

*So, warming up our student's vocal cords and getting them ready to unleash their wildest calls and cries in observance of this day, our tiny tots presented skit, sang rhymes and also spoke about the threats faced by these intelligent monkeys in this modern world. They also spoke about few facts about monkeys. In all, it was a day full of knowledge and activities.*

## CHRISTMAS

### Pre-Nursery

*"Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful."*

Christmas is the festival which inspires the spirit of sharing and caring. Soaking in the spirit of Christmas tiny tots of our school celebrated the festival with enthusiasm on December 24, 2021. The little angels wore a festive look with bells, streamers and a beautifully decorated Christmas tree. Several activities such as making fruit Santa, decorating Christmas Tree and making beautiful Christmas crafts with salt dough were organized for the students. The children were told about the birth of Lord Jesus and the legend of Santa Claus. When Santa Claus suddenly appeared, a wave of cheer enveloped and the classroom echoed with Christmas carol followed by singing and dancing.

## CHRISTMAS

### Nursery

*"Christmas is not a time nor a season, but a state of mind."*

*To cherish peace and goodwill, to be plenteous in mercy is to have the real."*

*Delhi Public School, Sector 84, Gurugram celebrated its virtual Christmas celebrations in a unique way with great fervor and enthusiasm. The boundless joy of celebrating this festival was quite evident in the smiles carried by our students. The students decorated the Christmas tree with bells, streamers, stockings, stars and shining lights.*

*It was amazing how melodiously our students sang Christmas carols, narrated stories about the birth of Baby Jesus. Our little ones dressed up as their favourite Christmas characters such as, Santa, Reindeer, Elf etc., delivering a message of peace and harmony around the world touched every ones' heart.*

*Students tapped their feet and danced gracefully on the beat of Christmas songs. It was a great way to bring joy and happiness during these challenging times. The celebrations concluded with a promise from all our students to feed the hungry, clothe the naked, forgive the guilty, welcome the unwanted, care for the ill and love for enemies. Teachers congratulated and appreciated the efforts of students and encouraged them to experience the power of sharing and helping others.*

## AZADI KA AMRIT MAHOTSAV

### Grade II

*The struggle for independence in India witnessed heroism, sacrifice and patriotism for the country. Each freedom fighter had their ways to show their love for the nation. These stories can be well narrated by our grandparents so our grade II students took the initiative to learn about these stories of bravery from their grandparents. The stories narrated by their grandparents ignited the feeling of patriotism.*

## **EXPERIENTIAL LEARNING**

### **Happy and Joyful Learning**

*“Positive intellectual and emotional state of learners. This state or experience is achieved when a kid is deriving pleasure and a sense of satisfaction from the process of learning.” We at DPS 84 always aim at making learning joyful for our kids with variety of ways ranging from integrating sports in educational activities to integrating story-telling in classroom transactions etc. These interactive activities bring sparkle in the eyes of students and excites and empowers them to engage with learning experiences in fun-filled, playful manner.*

## EXPERIENTIAL LEARNING

### Nursery

#### My Favourite Season

*A key part of the preschool curriculum, "Show and Tell" is an important part of a child's learning development, as it helps them to organize information and build their confidence. It's also a great way to encourage child's interest in a particular topic and a chance for children to think outside the box a little.*

*With the aim of providing an opportunity for our students of grade Nursery to develop effective communication skills and to build their confidence, a show n tell activity was organized. They expressed themselves beautifully during the activity which was well appreciated by their teachers as well as parents.*

*In this activity students took center stage and spoke on topic "My Favourite Season", they described their props with a lot of confidence, facial expressions and voice modulation. Overall, the show was a spectacular learning experience for the kids!*

## EXPERIENTIAL LEARNING

### Time Travel Theme Activity

*Being able to travel through time to a different age or era is the dream of many scientists, sci-fi enthusiasts and even historians. After all, we spend so much of our lives hearing about what happened in the past, be it one hundred, one thousand, or one million years ago, that many of us would give anything to see the things that were happening then with our own eyes.*

*A Parent involvement time travel-themed activity was conducted in grade Nursery where parent -child together acted like they just arrived from another century or even another planet, revisiting their childhood along with their kiddos etc. Parents together with their ward presented their imagination and creativity through stories to make the celebration joyful.*

### **My Favourite Transport**

*Tell me and I forget, show me and I remember, involve me and I understand.*

Nursery wing of DPS 84, Gurugram conducted a Show and Tell Activity, topic 'My Favourite Transport' on Wednesday, 22 December 2021, to strengthen the verbal skills and to foster public speaking competency of the young minds. Students were excited to share their descriptive narration and waited eagerly for their turn to show and tell. This activity gave each child a chance to be the centre of attention in the class as they spoke few lines about their favourite transport using beautiful props and charts. The main aim of the activity was to develop their social, emotional and language skills as they learnt to use descriptive language and practice listening skills. It was an interesting and a thrilling experience for the kids sharing their feelings with peer which provided fun and comfortable learning arena for everyone.
