NUTURING RESPECT IN LITTLE HEARTS

Our nursery stars shone brightly as they conducted a heartwarming assembly on the theme of Respect.

Through their innocent words and actions, they reminded us of the importance of:

- ✓ Respecting teachers by listening to them attentively.
- ✓ Respecting parents by helping them with little tasks.
- ✓ Respecting our surroundings by keeping them clean.

The assembly concluded with a joyful dance performance that left everyone smiling! 🧒 🧒
We are so proud of our little ones for spreading such a meaningful message. Let's continue to teach and practice respect every day!

REPUBLIC DAY

Our little patriots celebrated Republic Day with pride and joy! Dressed as national symbols, they brought India’s heritage to life – from the majestic tiger to the blooming lotus. 🦁 🌸

The highlight was the beautiful tri-color flag activity, where tiny hands and creative minds came together to craft vibrant flags symbolizing unity, peace, and courage.

Today, we celebrated not just a day, but the spirit of being Indian! 🌟

REPUBLIC DAY

REPUBLIC DAY

The Republic Day was celebrated with great enthusiasm and zeal at DPS 84 by the students of Preparatory. The celebration was a wonderful display of patriotism and unity, as the little ones participated in various activities to honor India's Republic Day.

The highlight of the celebration was a special patriotic song and dance performed by the students. The children, with their innocent voices and bright smiles, sang patriotic tunes, filling the air with joy and national spirit. Some students spoke few lines about Republic Day about India, showcasing their understanding of the significance of the day.

The young children, dressed in traditional attire, looked adorable as they paid homage to the country.

To make the day even more special, students spoke a few lines explaining the importance of Republic Day in a simple and engaging manner. The performance was well received by the little ones, as it helped them understand the history and significance of India's Republic Day in a fun and interactive way.

Overall, the Republic Day celebration was a delightful experience for the pre-primary students, creating lasting memories and instilling a sense of national pride at a young age. The efforts of the teachers in organizing such an event were commendable, making it both educational and entertaining for the young minds.

REPUBLIC DAY CRAFT

Republic Day, celebrated on January 26th, marks the adoption of the Indian Constitution in 1950. It is a day of pride and unity, honoring the nation's democratic values. In the spirit of Republic Day, engaging in various creative Republic Day craft activities provides a wonderful way for children and adults to express their patriotism. These crafts, not only enhance creativity but also instill a sense of love and respect for the country. Students of Preparatory in remembrance of our brave soldiers and their sacrifices, enjoyed making a beautiful tri-colour flower making, for craft activity.

STORY NARRATION

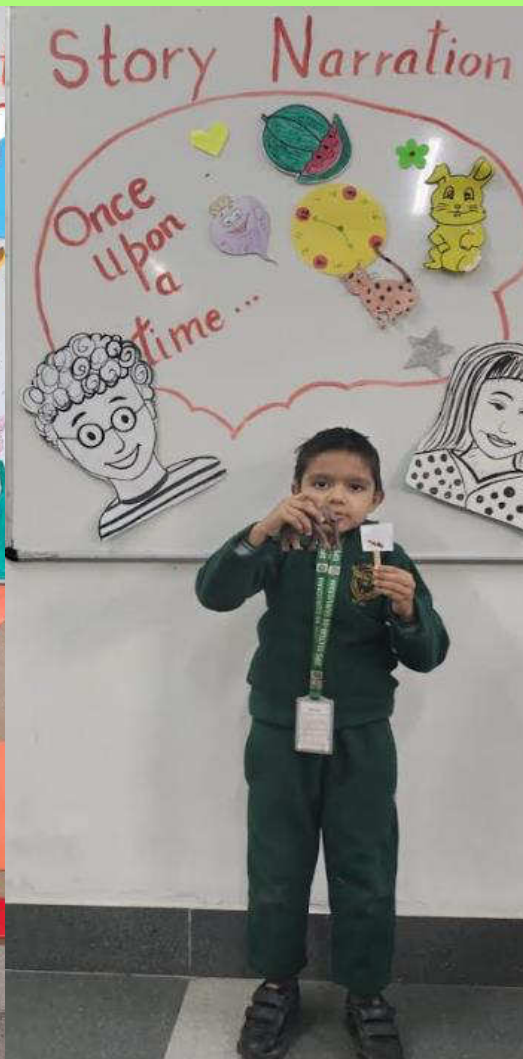

A delightful Story Narration Competition was held on 16 January designed specifically for our enthusiastic preparatory students. The event aimed to foster creativity, enhance language skills, and build confidence in young learners through the art of storytelling.

Children were accompanied by props, gestures, and expressions that brought their stories to life. It was heartwarming to see the effort and enthusiasm of these budding storytellers, who confidently stood before an audience of teachers and peers.

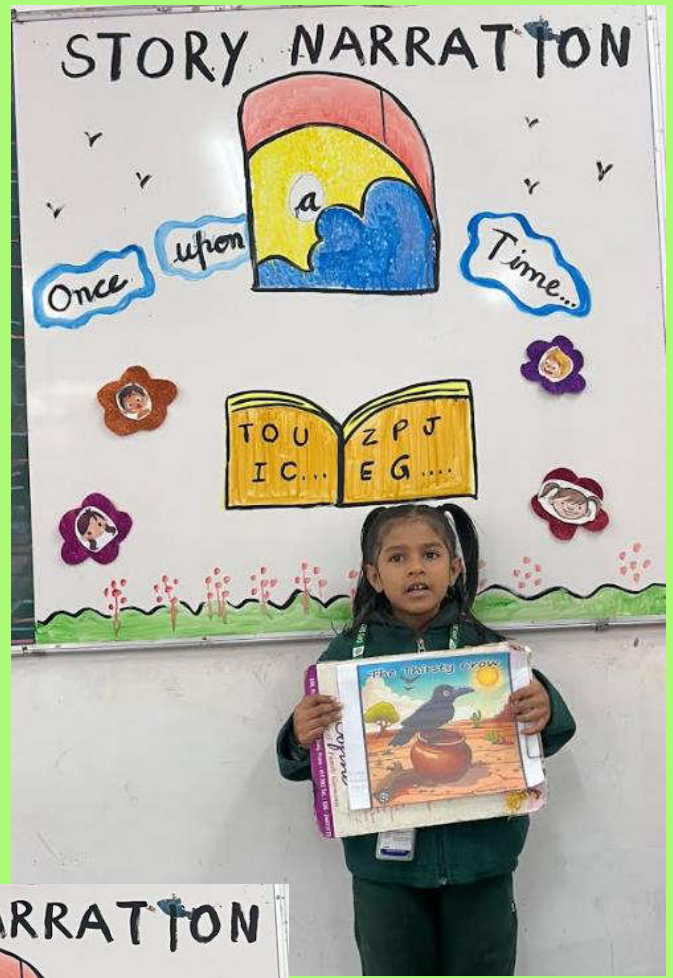

The competition was a resounding success, leaving everyone with smiles and a renewed love for storytelling.

This engaging and entertaining event not only highlighted the creativity of the little ones but also reinforced the importance of storytelling in fostering imagination and communications skill.

LEARNING IS FUN

Our little learners had an amazing time exploring the Alphabet Treasure Hunt, matching objects with their corresponding letters, and 'Diving into the Count and Place the Stick' activity, where they practiced number recognition by placing the correct number of ice cream sticks. The joy, curiosity, and enthusiasm they showed made these interactive games a delightful success! Watching them learn with smiles on their faces truly warms the heart.

ASSEMBLY

Lohri is a lively and joyous festival that marks the harvest season, celebrates agricultural prosperity, and strengthens social bonds. Deeply rooted in North Indian culture, it reflects a rich cultural heritage and fosters a sense of unity and togetherness among communities.

The festival primarily celebrates the harvest of crops like wheat, sugarcane, and mustard, while honoring agricultural deities and seeking their blessings for abundance. It is a time for families and friends to come together, sharing traditional foods, singing folk songs, and dancing around bonfires.

The bonfire, lit in the evening, symbolizes the end of negativity, the triumph of good, and the arrival of longer days. Festivities include singing traditional songs like "Dulla Bhatti" and "Sunder Mundriye", along with energetic performances of Bhangra and Gidda.

Exchanging gifts like sesame seeds, jaggery, and popcorn further enhances the spirit of goodwill, symbolizing luck and prosperity. Lohri, beautifully showcases the vibrant cultural traditions of Punjab and other regions, making it a cherished celebration of gratitude and joy.

ASSEMBLY

Lala Lajpat Rai (1865–1928) was a prominent Indian freedom fighter, nationalist leader, and social reformer. He was a key figure in India's struggle for independence and was popularly known as the "Lion of Punjab" for his fearless opposition to British rule.

DPS Sec 84 students held an assembly to celebrate the birth anniversary of Lala Lajpat Rai Ji. As part of the event, some students portrayed the iconic Lal-Bal-Pal trio, helping everyone learn about their significant contributions to India's freedom struggle. The children reenacted how 'Sher-e-Punjab' was martyred during his protest against the Simon Commission.

Through the assembly, students gained a deeper understanding of how we achieved independence, the immense sacrifices made by our freedom fighters—both celebrated and unsung—and the importance of honoring their selfless gift of freedom.

EXPERIENTIAL LEARNING

Exploring the Invisible Forces of Magnetism and Magnetic Marvels at DPS 84

Grade VI students at DPS 84 delved into the fascinating world of magnetic fields through an engaging science experiment! ⚡ Using iron filings and magnets, they visually observed how magnetic field strength varies—with the strongest fields at the poles. The filings beautifully aligned along invisible magnetic field lines, revealing intricate shapes and patterns! Using magnets and iron filings, they created mesmerizing patterns and shapes, uncovering the invisible forces at play. The young scientists were intrigued and amazed as they saw physics come to life right before their eyes! ⚡

This hands-on activity left students amazed and curious, proving once again that science is not just learned—it's experienced! #MagneticMagic #ScienceInAction #DPS84 #FutureScientists
