## INDEPENDENCE DAY

Every year on 15th August, we celebrate Independence Day with pride and joy. On this day in 1947, India attained freedom from British rule. It is a day to remember the sacrifices of our freedom fighters who fought bravely for our country. The Prime Minister hoists the national flag at the Red Fort in Delhi, and people sing the National Anthem with great respect. Schools, offices, and communities celebrate with flag hoisting, cultural programs, and patriotic songs. Independence Day reminds us to love our country and be responsible citizens. It is a day of unity, pride, and respect for our nation. Students of Preparatory celebrated the day with pride and enthusiasm. They participated in various activities and enjoyed making tricolour kites to mark the importance of the day.

## INDEPENDENCE DAY

Our little patriots celebrated Independence Day with joy and excitement. They enjoyed ear bud painting in their sketch files, filling them with the beautiful colours of the tricolour. The highlight was wearing the tricolour badge as a proud takeaway. Children also learned about our national symbols and were eager to share what they discovered. The celebration ended on a high note with everyone singing “Suno Gaur Se Duniya Walo.

## INDEPENDENCE DAY

Young explorers celebrated Independence Day with great joy and excitement. They began their day by watching short and interesting stories related to Independence Day. The children then sang a beautiful song, recited poems, and performed a lovely dance. They also made colourful crafts to mark the occasion. The celebration ended with joyful smiles as the children took home special takeaways to remember the day.

## RAKHI CELEBRATION

“Rakhi is not just a thread, it’s a promise of love and protection forever.” Today, we celebrated the joyful festival of Raksha Bandhan with laughter, colors, and love. The children enjoyed a Rakhi Decoration Activity, using beads, glitter, and bright threads to create beautiful rakhis. After the activity, everyone shared sweets together and sang cheerful songs, wishing each other a big, happy “Happy Happy Raksha Bandhan!”

## RAKHI CELEBRATION

## RAKHI CELEBRATION

Our Pre-Nursery students celebrated Rakhi with great joy. They made beautiful rakhi crafts with colourful paper and beads. The little ones tied rakhis to our school bus 'driver bhaiyas' to show love and respect. They also enjoyed listening to a sweet story about the festival of Raksha Bandhan, learning about love and care between brothers and sisters. It was a happy and fun-filled day for all!!

## SHOW N TELL

Little stars of Pre-Nursery joyfully participated in a Show and Tell activity on the topic “My Neighborhood.” Each child excitedly spoke a few lines about the places and people they see around their home – like parks, shops, schools, and helpers. It was heartwarming to see their enthusiasm as they shared and learned about the world around them. The activity helped build vocabulary, confidence, and awareness in a fun and engaging way!

## GANESH CHATURTHI

Our little ones joyfully celebrated Ganesh Chaturthi with great excitement and devotion. The celebration began with an engaging story of Lord Ganesha, followed by a cheerful dance performance that filled the class with festive vibes. Children then enjoyed a creative colouring activity where they coloured beautiful pictures of Lord Ganesha. They also took part in a fun discussion about Lord Ganesha's parents and brother, learning more about His divine family. The day ended with happy smiles as kids felt delighted to celebrate Lord Ganesha's birthday together.

## EAT HEALTHY, STAY HEALTHY

Our little learners presented a wonderful assembly on the theme “Eat Healthy, Stay Healthy.” The children confidently came forward to share their lines about the importance of eating healthy food , followed by a lively dance performance that spread the message in a joyful way. The assembly encouraged everyone to make healthy food choices and reminded us that good health begins with good habits.

## SPORTS DAY

Our little stars celebrated National Sports Day with lots of excitement and energy! The fun began with the Zigzag Race, followed by the adventurous 'Under the Tunnel' and the thrilling 'Hoopla Race'. The celebration ended on a high note with Medal Distribution, where every child proudly wore their medal with a big smile. It was a joyful day that encouraged team spirit, sportsmanship, and the love for being active!

## NUMBER LINE ACTIVITY

To introduce the concept of 'Number line' in a fun and engaging manner, KG students at DPS84 participated in a lively floor activity. A large number line was created on the floor, and children joyfully jumped on numbers as they counted forward and backward. Through this playful approach, they grasped the idea of a line and the sequential order of numbers. The hands-on experience enhanced their understanding while making learning interactive and joyful. It was a perfect blend of movement and math in a play-way method!

## YOUNG HEARTS SPREAD EMPATHYACTIVITY

Our little young learners of KG D recently showcased their understanding of the value 'Empathy' through a vibrant assembly. With energetic performances, including a joyful dance, they highlighted the importance of kindness, care, and compassion towards others. Through their presentation, the children demonstrated how small acts of empathy can bring smiles and happiness to those around them, promoting a culture of love and kindness.

## HEALTHY AND UNHEALTHY FOOD ACTIVITY

Eating healthy food is crucial for kids because it fuels their physical growth and cognitive development, boosts their immune system, and provides stable energy for daily activities. A nutritious diet also helps maintain a healthy weight, reduces the risk of developing chronic diseases like obesity and diabetes, and fosters better mental health and academic performance. Furthermore, establishing healthy eating habits in childhood sets the foundation for a lifetime of good health. As a part of the ongoing theme- healthy food, children of grade Prep today made 'snack sprint - sprout salad'. Children demonstrated creative ways of making healthy snacks using a variety of vegetables and fruits.

## COMMUNITY HELPERS

Learning about community helpers is crucial for kids as it fosters a sense of belonging, promotes respect and gratitude, introduces various professions, and encourages social awareness. It also helps children understand how different jobs contribute to a well-functioning society and inspires them to consider future career paths. Community helpers are people who help us in our neighborhood. They do important jobs like keeping us safe, healthy, and happy. Community helpers play an important role in making our lives better, and we must always be thankful to them while showing respect to all helpers, regardless of the work they do. The Prep class children spoke on the topic “My Favourite Community Helper.” Through this activity, they not only built self-confidence but also gained valuable knowledge about different helpers and their contributions.
