ASSEMBLY: COLOURS

Our little shining stars lit up the stage with their Assembly on Colours. They confidently presented their lines, expressed the magic of colours in our lives, and rocked the stage with their lively dance moves. The stage was buzzing with excitement, laughter, and energy —just like a rainbow spreading happiness all around. Truly, our kids showed us that life becomes brighter and more joyful when painted with the shades of love, cheer, and togetherness.

JANMASHTAMI CELEBRATION

Our little ones stepped into the enchanting world of Shri Krishna today. The day was filled with joy as children danced gracefully to "Mere Banke Bihari Lal" and "Maya Yashoda", bringing Vrindavan alive in our hearts. They enjoyed a Matki coloring activity and happily carried home their special Krishna headgear as a festive takeaway. In our circle time discussion, we spoke about the birthday of Krishna – how he loved to eat makhan and mishri, and how he always shared it with his friends. We learnt that sharing is caring, just like Krishna showed us. The day ended with joyous chants of: "Hathi Ghoda Palki... Jai Kanhaiya Lal Ki!"

ASSEMBLY-AQUATIC ANIMALS

“The ocean stirs the heart, inspires the imagination, and brings eternal joy to the soul.”

KG- B students of DPS84 conducted a vibrant special assembly on the theme Aquatic Animals. The assembly began with a soulful prayer and an inspiring thought of the day. Students, beautifully dressed as various sea creatures and holding creative props, confidently shared fascinating facts about aquatic life. Their enthusiasm and knowledge brought the underwater world to life on stage. It was a delightful learning experience for all. The assembly concluded with the rendition of the National Anthem, filling the atmosphere with pride and unity.

FRIENDSHIP DAY CELEBRATION

Tiny Hands, True Friends – A Nursery Friendship Day Celebration

As part of our Friendship Day celebration, the children enjoyed a joyful Coloring Time with Friends activity. Sitting in small groups, they shared crayons, giggled together, and helped each other fill colors in friendship-themed worksheets. It was heartwarming to see them embrace the true meaning of friendship—sharing, caring, and creating together. Their happy chatter and vibrant artwork filled the classroom with love and laughter, making the day truly special.

PLASTIC BAG FREE DAY

Our prep kids celebrated 'No Plastic Day' with a fun and eco-friendly activity of 'Paper bag' making! The little ones gathered in their classrooms, armed with colorful papers, glue, scissors, and imagination. With the guidance of their teachers, they crafted their own paper bags, learning about the importance of reducing plastic use and promoting sustainability.

Learning Through Creativity

As the kids worked on their paper bags, they developed their fine motor skills, hand-eye coordination, and creativity. They experimented with different colors, patterns, and designs, making each bag unique and personalized. The activity encouraged them to think about the impact of plastic on our environment and the role they can play in reducing waste.

Eco-Friendly Awareness

The kids were thrilled to show off their handmade paper bags, filled with pride and creativity. They took their bags home, eager to share their newfound knowledge with their families and friends. The activity was a wonderful way to instill eco-friendly values in our young learners and encourage them to become responsible citizens of the world.

BALLOON BINGO

The Balloon Bingo activity was conducted to make subtraction practice fun and interactive for students. The objective was to strengthen subtraction facts up to 9 in a playful and engaging manner. For the game, balloons with different numbers were arranged in the classroom. The teacher called out **the** subtraction problems, and students quickly solved them to find the balloon with the correct answer. With great excitement, they burst the balloon once they identified the right one. The activity created a lively and energetic atmosphere. Students participated enthusiastically, showing eagerness to solve the problems correctly and be the first to pop the balloon. It helped improve their focus, speed, and accuracy while reinforcing subtraction concepts.

BALLOON BINGO

ENGLISH ENRICHMENT

To make learning more engaging and meaningful, the students of Grade 2 participated in an English Enrichment Activity based on the lesson “I Am a Banana Tree.” In this activity, each child took on the role of a banana tree and expressed its importance by speaking a few lines about how it provides shade, fruits, and is useful in many ways. The exercise gave students an opportunity to connect with the lesson in a creative and interactive way. The activity not only strengthened their understanding of the chapter but also enhanced their public speaking skills, boosted their confidence, and nurtured awareness about the environment. The young learners enjoyed the session thoroughly and participated with great enthusiasm.

GOOD MANNERS

Learning good manners at an early age helps children become polite, kind, and respectful towards others. To make this learning fun and meaningful, the students of Grade Prep participated in an engaging classroom activity called the Good Manners Tree. The students shared different examples of good manners, including the use of polite expressions such as please, thank you, sorry, and excuse me, as well as the habit of sharing with peers. These values were recorded on colorful leaves and displayed on the classroom tree, which was transformed into an elegant 'Manners Tree'. The activity not only helped children understand the importance of using polite words and kind actions in daily life but also encouraged them to follow these manners regularly. With excitement and joy, the young learners promised to nurture their "Manners Tree" by practicing these habits every day.

NATIONAL SYMBOLS

An enlightening assembly was conducted on the theme “National Symbols of India.” The program aimed at fostering love and respect for our country by helping students recognize and appreciate the significance of India’s national symbols such as the National Flag, National Emblem, National Bird, National Animal, National Fruit and National Flower. The assembly began with a prayer, followed by thought for the day and a brief introduction to each national symbol. Students presented short speeches and poems highlighting the importance of these symbols in representing India’s culture, heritage, and unity. The session instilled a sense of pride and patriotism among the children and encouraged them to uphold the values symbolized by these emblems of our nation.

NATIONAL SYMBOLS

STORY TIME

A joyful story session was conducted for our Nursery children on the famous fable “The Ant and the Grasshopper.” The little ones were very excited to listen to the story and eagerly participated by observing the actions and expressions shown during narration. Through this story, children learned how the hardworking ant collected food during summer while the carefree grasshopper only played. When winter came, the ant had enough to eat, but the grasshopper was left hungry. The session helped children understand the importance of hard work, planning, and being responsible. The story was shared with fun actions, rhymes, and questions, which kept the little learners engaged and curious. By the end of the session, children happily shared their thoughts and promised to be “hardworking like the ant.”

SUBJECT ENRICHMENT ACTIVITY

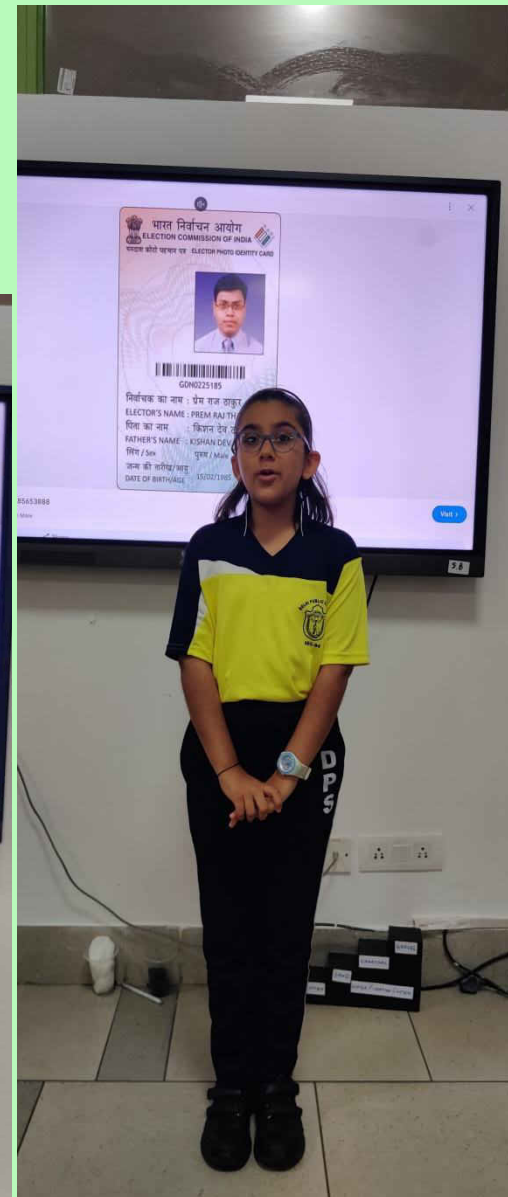

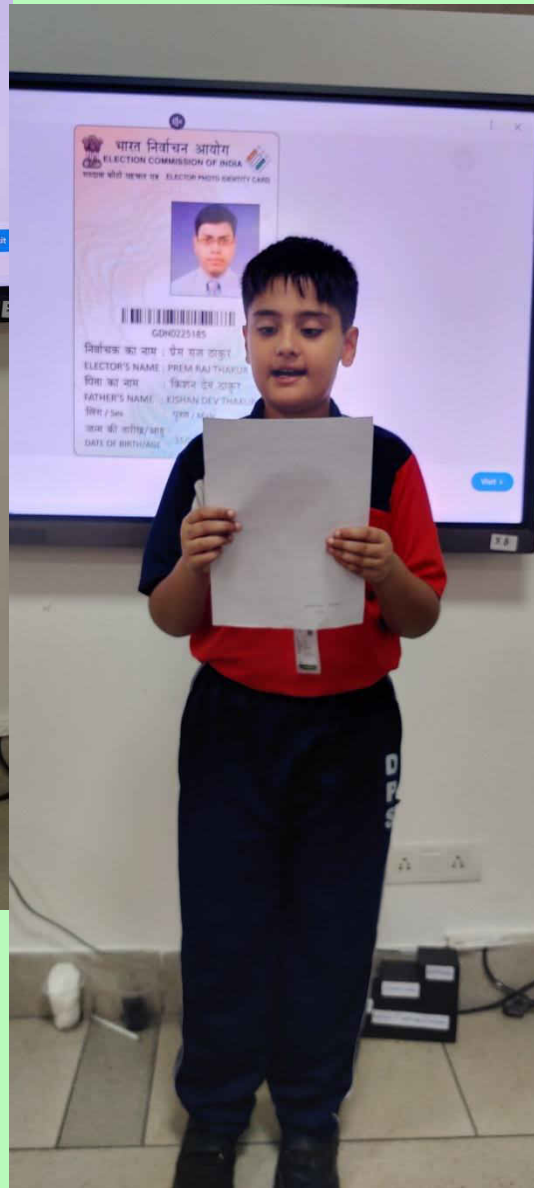

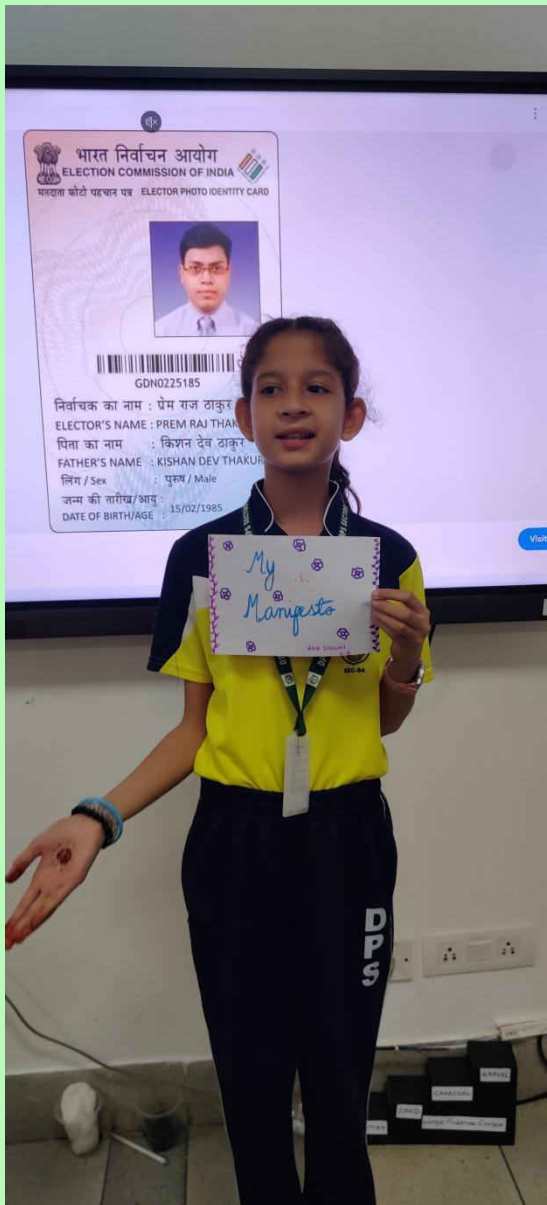

The SST Monitor Election in Grade V was conducted to give students a hands-on experience of the democratic process. Interested candidates filed their nominations and prepared a manifesto highlighting their ideas and plans for the class. This was followed by campaigning, where students presented their vision and sought the support of their peers. On election day, students exercised their right to vote through a secret ballot system using voter ID cards, ensuring a free and fair election. After the counting of votes, the winning candidate was declared and a simple swearing-in ceremony was held, where the newly elected monitor pledged to serve the class with responsibility.

ACTIVITY-THANK YOU CARD

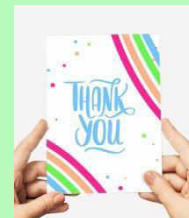

To help children learn the value of gratitude, a 'Thank You Card' making activity was organized for Prep Grade students. The little ones were encouraged to express appreciation for their friends by preparing colorful cards. They decorated the cards with drawings, stickers, and their own creative ideas, writing a short "Thank You" message inside. The activity not only enhanced their fine motor and creative skills but also helped them understand the importance of kindness, sharing, and expressing gratitude. The children participated with great joy and excitement, proudly presenting their cards to friends. It was a heartwarming experience that combined art with values, making learning both meaningful and fun.
